YES, AL, THERE IS A SANTA CLAUS! An offer from Rich Central High School to use its stage and auditorium for a show being developed by the College of Cultural Studies has been accepted. The theater facilities will be loaned free for rehearsals and the premiere performance for "Ethnic Soul of '72" a GSU-USO show that will tour far east military bases. It's a particularly gratifying offer from Rich Central for those at GSU who found themselves trying to help Rich Central this past fall.

ABOVE GROUND AND GOING HIGHER...Construction for Phase I of the permanent campus began on Monday, December 20 after the Illinois Building Authority and the Board of Governors issued the order on December 16 to proceed. Site development has been taking place since the June groundbreaking. The 413,000 square foot building, featuring "academic street" concept, is slated for occupancy in the fall of 1973. The architect's model is now being displayed in the Commons area...

Architecture for the permanent facilities was featured in five pages of an article titled "The Nation's Schools in an Age of Space," in the November issue of Consulting Engineer magazine which has a circulation of about 17,000.

NAME THAT BUILDING...A policy was approved by the Board of Governors at its December meeting for naming structures at GSU in honor of former Illinois governors...that is when and if units or structures are named in honor of an individual.

COMPUTERS ANYONE? The Computer Study Task Force of the Board of Higher Education recommended at the BHE December meeting that a public interest corporation be set up to buy computers from Illinois universities. The corporation would then handle the computer work for all state universities and junior colleges. Private universities would also be able to buy needed services.

GERTIE BELL...leaves GSU in the middle of the month for a position as Assistant Director of Financial Aids for Roosevelt University. We'll miss you, Gertie.

Contributions for FAZE I are solicited and should be forwarded to the Office of Communications by Thursday noon for Friday distribution. Items not used because of space limitations will be held for following issues.
