THIRD SESSION STATS...Total enrollment for the third session is 696 compared with 663 for the second session and 695 for the first. Undergraduates account for 447 and graduate students 249. Perhaps the biggest surprise is the percentage of undergraduates going to school full-time (75.4%, up approximately 8% from the previous session). Only 31.7% of graduate students go to GSU full-time. All of this translates to a third session FTE of 563.
