JULY 3, 1972 Vol. 1, No. 39

UNIVERSITY ASSEMBLY...The University Assembly took the following actions at its June meeting...rejected an Executive Committee action to create a task force on personnel systems...

UA Vice Chairman DELORIS SAUNDERS charged the Human Services Committee and the Educational Policies and Programs Committee (SCEPP) to have an interim report on personnel systems for the July Assembly meeting with a final recommendation completed by September 1...received and referred to the Executive Committee recommendations from the Governance Committee on an appeals and grievance process, provision for overriding a presidential veto, and procedures for translating recommendations into policy...

Upon recommendation from SCEPP, passed and sent to the President a resolution that veterans qualified under the GI Bill be granted priority status in admission to the university ahead of non-veterans, but not ahead of minority applicants...also approved and sent to the President was a provision that the Illinois Constitution test not be administered by GSU except in cases where a specific notation must be made on the transcript, as in the case of teacher certification...approved principle of cooperative workshops involving GSU faculty and community provided staff has expertise in area and competencies relating to GSU mandates can be engendered...a workshop involving CHLD and the Chicago Tribune was approved...

Approved a recommendation from the Fiscal Resources Committee suggesting a formula for allocating capital funds available for instructional equipment...also sent on to the President by the Assembly was a recommendation that accounting procedures allow a budget unit to identify the cost of services per program of such services currently centralized as duplicating, central stores, etc., with the unit having the right to receive advance notice and approve cuts in service or increase in costs...the next Assembly meeting is scheduled for Thursday, July 27 in room 308.

DISTINGUISHED TEACHER AWARDS...Recommended by their respective college administrators were GERALDINE WILLIAMS of BPS, LARRY MC CLELLAN of CCS, JIM GALLAGHER of EAS, and TULSI SARAL, of CHLD, recipients of the first distinguished teacher awards at GSU. Congratulations!

FROM THE PRESIDENT...A special thank you to all those who contributed to his inauguration and shared the historic occasion of the first GSU commencement.

IF EVERY WOMAN looked like Raquel Welch, Ruth Bussey would be in great demand.

FAZE I...Send us your tired jokes, your poor comments...the Office of Communications will accept all items of interest as long as they are submitted by the end of the day, WEDNESDAY, for the following week's issue. Remember, we're interested, are you?
NEW FACES...Recently arrived on the GSU scene are PATRICIA CONDON (BPS), M.N.C.NAIR (MIS), SANDRA LEE CONELY (Coop Ed), KATHY LYN KENT (LRC), CHARLES W. HIGGINBOTHAM (MIS), DONALD H. MC FADDEN (B & P O), WENDY BALLINGER (B & P O)...Welcome to the Family!

SECOND NEWMAN REPORT...A Preview of the Second Newman Report by Frank Newman himself is featured in the May issue of Change. In a commentary, Harold Hodgkinson observes that the Newman task force has had more impact with fewer dollars than any other educational commission...Educators are being challenged to make the reality of classroom practice match the euphoric humanity of their rhetoric, as James Cass sees it in "Innovation without Change," American Teacher (AFT), May.

ANOTHER NEWMAN REPORTING...Announcing his candidacy for the office of Village Trustee of Park Forest South, is DICK NEWMAN of LRC. Dick is presently vice-chairman of the Plan Commission and a member of the Ad Hoc Committee on Cable TV in the Village. Volunteer campaign workers should contact Dick at Ext. 257.

LRC ADDITION...A collection of more than 200 medical books has been donated to GSU by Walter E. Lox, Ph.D., of Park Forest. This welcome donation of the diagnostic and research manuals is expected to strengthen the allied health collection of the LRC.

QUESTION OF THE WEEK...Who is BOB KREBS and what does he dazzle them with? (Hint: check the back of his nameplate.)

SAGA OF THE OPEN ROAD...To set the record straight, it should be noted that Stuenkel Road involves three jurisdictions; from Crawford to somewhere near Governors Highway, it's Park Forest South; west of Governors Highway, it's the responsibility of Monee; and from Monee to Crawford, it's Park Forest. GSU has spent some $36,000 in patching Stuenkel Road and preparing Crawford for surfacing. When the heavy construction traffic is over, sometime in November, GSU will be involved with the various jurisdictions in attempting to reach a bed-rock solution to the Stuenkel Road problem. In the interim, remember to drive safely.

OVERHEARD IN THE HALL..."Everybody's gotta have something." BETTY ELLIOTT

LADIES DAY...In response to a recent invitation to attend a luncheon for departing CHLD faculty members, the following letter was received: "I would love to attend the luncheon, but as I am being discriminated against because I am a male (males must pay $2.25 as opposed to $1.80 for women)...this thoughtlessness in planning a luncheon at a place that favors women and fantasizes that all men are wealthy or make a larger income than women, makes it impossible for me to attend. Yours in brotherhood, KEN WERNER

Comments on the above are invited by the Office of Communications.

WRITING ANYONE?...CCS is offering a non-credit writers workshop for students who want to improve their writing skills. Monday & Wednesday, 10-1, Room 230.

HUMAN SERVICES RESOURCE CENTER...The HSRC has moved back into quarters in CCS. They have recently published a 26 page handbook in Spanish giving information on Chicago Heights. This organization will shortly be publishing a Director of Child Care Centers in the South Suburbs. Information available on Ext. 230, via JUDY PILARSKI.

TAKE YOUR CHOICE...Did you catch the Star front page the day of Commencement? Either we had the funniest or the sexiest commencement this area has ever seen:

Inside The Star Today

Summer Comedy

Governors State University will award its first degrees and inaugurate its president in rites of double significance today. Page A-9.

Mobile Army, With Coffee

The Salvation Army has stationed a mobile unit in Park Forest South to provide services for the surrounding area. Page A-8.

GSU Commencement

Prairie State college students prepare for the first of their summer plays productions, "Once Upon a Mattress." Page B-4.
