FACULTY GROWTH AND THE GSU DREAM...Watch for a schedule of mini-workshops for faculty professional growth and development. Long requested by faculty, a year long schedule beginning in Mid-October will be out in a week or so allowing faculty from throughout the University to pick and choose from a variety of workshops to be conducted throughout the year. Some will even be offered for credit. Besides professional growth opportunities which can fulfill that part of each professor's professional work plan agreement, the workshops will attempt to return to various parts of the GSU dream and how it can be realized. The mini-workshops are for all faculty, old and new. The schedule will include an application form for the workshops many of which will have limited enrollment.

NEW GAVIN SCHOLARS...will be presented in a candlelight ceremony at 3 p.m. in the Community Conference Center on Wednesday (Oct. 2). Scholars selected on the Gavin criteria of selfless service and productivity are:

- MARCUS CHISM (HLD)
- RONALD HARRINGTON (CCS)
- EARL FREEMAN (CCS)
- RICHARD LADSON (HLD)
- CORLISS MUSE (CCS)
- HOWARD WHITE (CCS)
- SHA-RON WOMACK (CCS)

Members of the GSU community are invited to attend.

VOTER REGISTRATION DRIVE...is underway at GSU. The Assoc. of Illinois Student Governments is sponsoring the non-partisan effort, whose goal is the coordination of a comprehensive voter registration drive of the 36 colleges and universities which have joined the effort. The enrollment at these schools exceeds 300,000. Check the GSU signs in the main entrance area to register to vote (and you don't even have to be a student).
