FOUNDATION FUND DRIVE LAUNCHED...This week the GSU Foundation has launched its first major fund-raising campaign for the University. A general mailing has been sent to over 1800 community leaders, professionals, businesses and corporations in our service area. The general mailing is comprised of four pieces: a two-page letter from Ron Stillman, President of the Foundation, describing the needs of this state University for private funds; an "Excellence" brochure relating how the funds are used and containing a pledge card; a "President's Club" brochure offering special privileges (a dinner, a plaque, University publications) to those who join by donating $250 or more per year to the Foundation's annual campaign called "Your Future is Ours: An Alliance for Excellence;" a return envelope. "The Governors State Associate" is the title given to donors of $1000 a year. Solicitation of Associates is being made thru Board member personal contact with potential donors. When it is determined that an individual is in fact interested in such a generous donation, an appointment is made and an attractive brochure mailed. Among the privileges promised to GSAs: personal access to University President; annual faculty directory, listing degrees, certificates and areas of specialization; limited consulting privileges with faculty; privilege of suggesting special topics for research; recognition on campus and in University publications; use of facilities on limited basis; a GSU dinner; attractive parchment certificate of membership; etc. etc. Throughout this brochure the relationship between the GSA and the University is referred to as a "partnership."

MESSAGE FROM THE PRESIDENT...Bill Engberson has asked Faze l to confirm that he has in fact expressed to the BOG his desire to resign as University President, the resignation to take effect no later than September 1, 1976. He will very soon report in detail to the University community, both in Faze l and in other appropriate forums.

A donor may give to seven different categories: Unrestricted; fine and performing arts; community service; student financial aid; library; telling GSU story to the community; health/environmental research and education.

How much money do we hope to raise? A good question. Bill Dodd says that $100,000 would make him ecstatic, $60,000 delighted, $40,000 happy, less than that sobered.
Any comments or questions, call Bill at ext. 2122.

COLLECTIVE BARGAINING APPROVED...The Illinois Board of Governors approved collective bargaining rights for faculty members at the five universities under its jurisdiction by a one-vote margin at its Nov. 20 meeting. The measure must be submitted to the faculty now for majority approval. The American Federation of Teachers Faculty Federation, which spearheaded the drive for bargaining rights at the universities, claims to represent 40 per cent of faculty.
ASSISTANT DIRECTOR...In the Office of Financial Aids is being sought by GSU to begin Jan. 5, 1976. The assistant director will have supervision of: FA internal operations including coordination of major program areas (federal, state, and local), communication of all office policy with outside and institutional agencies, responsibility for the purchase of office equipment and supplies and supervision of inventory and materials upkeep under supervision of the director, development and administration of the institutional short term loan programs; assumption, on behalf of the director, of chairmanship of the talent scholarship committee and responsibility for the implementation of policies set forth by that committee in administering Board of Governors talent scholarships. There will also be student recruiting and counseling responsibilities. A BA is required, MA preferred. Also necessary is extensive knowledge of federal & state financial aids programs; one year of counseling experience with students of low-income background; working knowledge of at least one system of needs analysis; familiarity with the packaging process, and supervisory and administrative ability as demonstrated through previous employment. Applications (a resume and 3 letters of recommendation) may be sent to Herbert Robinson, director of financial aid. Deadline is December 15.
