CHANGES IN GSU BUS SERVICE . . .

Recently, a new I.C. train station was opened at the corner of Governors Highway and Stuenkel Road. Supplementing this new train service to the GSU campus was the announcement of a new RTA bus schedule that will cause buses to meet trains and bring persons to the campus. The bus schedule will be posted at the train station and on the GSU campus. Because of these transportation accommodations, the GSU commuter bus will be phased out immediately with the final run being made on the evening of December 23. In the meantime, the GSU bus will meet the following trains: 7:47 a.m., 8:45 a.m. and all trains in the late afternoon and evening starting at 4:03 p.m. Return transportation to the train terminal will be provided during the afternoons and evenings. This schedule, again, will be terminated with the last run on December 23.
