There's music in the sighing of a reed;
There's music in the gushing of a rill;
There's music in all things, if men had ears:
Their earth is but an echo of the spheres.

President's Concert... 

A NEW SERIES of annual President's Concerts by Governors State University String Quartet will be inaugurated at the University May 21, to raise funds for the Governors State University Foundation's Community College Scholarship Program. The announcement was made by William Dodd, Chief Executive Officer of the Foundation and Director of University Relations.

"In September, 1979, the University, with Foundation support, began a scholarship program for academically distinguished community college graduates. This concert, and the ones to follow in years to come, will be a major source of funds for this important program," Mr. Dodd stated. There are currently four students attending Governors State under the first scholarships awarded last fall.

Business, social and professional leaders, as well as music lovers, throughout southern Chicagoland have pledged support of the benefit performance by purchasing tickets at $100 per couple. It is anticipated that the GSU String Quartet will perform before a capacity crowd. The President's Concert will begin at 7:30 p.m. on May 21, and will include works by Haydn, Mozart and Schubert.

"The Governors State University Foundation is a not-for-profit corporation whose purpose is to attract private funds to support the University's pursuit of excellence," Mr. Dodd explains. "An imaginative, creative faculty and staff, such as we have at the University, initiates many worthwhile projects for which state appropriated dollars simply are not available. For example, the Foundation currently administers $28,000 in endowed scholarships and has provided more than $10,000 over the past two years for special faculty research." In addition, it provided financial support for the creation of the GSU String Quartet.

The planning committee for the first President's Concert consists of Dr. Leo Goodman-Malamuth II, University President; Mr. & Mrs. William Dodd, Mr. & Mrs. James Lund, Mr. and Mrs. Anthony Pasquinelli, and Mr. and Mrs. Richard Salisbury. They have been assisted by Dr. Warrick Carter, CAS, Dr. Francois D'Albert, CAS, Ms. Phyllis Bacon, SA, and Ms. Patricia Burkhardt, UR. For information, call the Foundation at (312) 534-5368.
