**Voicemail and email.** As with any closing or planned absence, please remember to update voicemail greetings and email out-of-office messages to reflect the change. ### Thanks for Exceeding the Match!

"I am pleased to share the successful conclusion of the [Match the Maimons](#) campaign," wrote Will Davis, Vice President of Advancement and CEO of the GSU Foundation, in an email to the community. "Because of your participation we raised \$112,435."

Davis continued, “It is you — our community and alumni supporters — that are driving us forward. You knew how important this campaign was to GSU students’ future, and you showed your commitment by investing in us. You are making GSU stronger and the future of our students brighter.

“The campaign would also not have been possible without the philanthropic leadership of Drs. Mort and Elaine Maimon, who generously offered to match funds up to \$54,000, and that of the campaign committee and our volunteer leaders. We are indebted to their work on our behalf, leading us to this success.”
