New Year- New Goals- New Accomplishments

Happy New Year from the College of Business at Governors State University!

Greetings from the College of Business at Governors State University!

In 2019, Governors State University will celebrate 50 years of service in providing accessible quality education. The College of Business invites you to be part of this 18-month long celebration of the accomplishments of our students, faculty, and alumni.

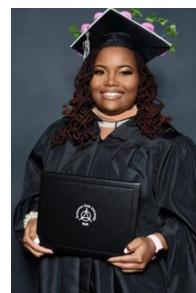

I'm also excited to report that we are planning to launch a new graduate program in Fall 2019 (pending final HLC approval): Master of Science in Human Resource Management. As the only MS in HRM program offered by an Illinois public university in the Chicagoland, this program will offer best value to individuals who aspire to pursue a career in the human resource management field. The program will be delivered in hybrid.
