Traditionally, 3 purposes

- ② Teaching - Trans. of knowl.
- ① Research - acquis of knowl.
- ③ Service - utl. of knowl.

Δ = balanced Δ of learning

any distortion causes structural faults

Illus. - Res. - "ahantee" prof. - alienated  
- v. v. - "ahantee" prof. - disaffected  
Service - most neglected youth

What will C.S.U. be?

- we all have our ~~ideas~~ ideas  
& their validity will be in the  
youth's reality 25-50 yrs. hence

I hope a dream

I know C.S.U. will be

- Governed wisely - <sup>Legis.</sup> Boards
- Supported reasonably <sup>Admin.</sup> & <sup>will be justified</sup>
- Constructed as economically
- \* <sup>as feasible w/ dictators of ed. needs</sup> Responsive to the Greater Community needs
- Functionally, <sup>or earlier</sup>
  - Planned to open in 1973 <sup>(Pres. Masters)</sup>
  - Commuter coll.
  - Intake from Comm. Colls.
  - Needs Assessment - Delphi <sup>5 Sr. Colls in U.S. now 1 - Ala 2 - Fla 1 - NY.</sup>

Sharp - Intros.?

John <sup>he is our congressman so he is not going</sup>  
to intro. this course for all <sup>the more people</sup>  
to paraphrase a great American, <sup>then there</sup>  
12

We have a dream  
<sup>harshing of the future</sup>  
you - Dreams → action arena → doers  
of discussion builders

ambiguities - conflict - compromise  
that surround the dev. of any insti.

The "stuff" of democracy &  
the improvement of the  
human spirit

Dinner honor estab. of a trib. to yours & others' dreams  
a C.S.U. - 1st new st. U. in this century  
- honors all doers. (people)

Some dream a univ. is  
to some people  
- bricks & mortar... & it is  
- an organizational structure - the  
- a lasting <sup>establishment</sup> monument  
N.Y. flag.  
But mostly it is a process vital to

people - 

new state
native
man kind

  
an abrasive & creative blending  
of like wiser, more exper. & mature  
faculty with younger, less

above all, a univ. is service..  
educational service to  
the people of the state  
of Illinois  
C.S.U. belongs to all the people of state <sup>this great</sup>

Humane environment

Small units - "clusters"

Close personal relats.  
(Keg is Faculty)

Personal interactions

working cooperatively  
on real jobs & real  
human problems

altho. we are to serve the <sup>entire</sup> state,  
<sup>our</sup> primary population will  
come from nearby rural,  
suburban & urban areas

Therefore, the probs of metropolises  
are ours. C.S.U. must be  
engaged with the econ.,  
ed. & social probs  
that beset city life.

Jobs, <sup>in bus. & industry</sup> poverty, racism,  
education, public service.

We must build an institution,  
dev. the prog., recruit  
the staff & train our  
students in a socially  
relevant context. Otherwise  
we fail & L.S.G. I am not accustomed to <sup>the</sup> failure.

I hope (& here I share my  
dreams) C.S.U. will  
(given approvals as necessary)

1) context of an experimental college

- Constant res. & eval.

- Responsiveness to needs  
as these are perceived

- Training for the new careers  
Bus., Indust. & Govt. are  
daily creating av. Technol.

- Creative instruction - Computer assist.  
Indep. study, work-study, INVOLVEMENT

- Institutional curric. change  
Calendar (all yr) ...

Constantly seek qualitative excellence  
thru evaluation - P.F.B.

Units of Instruction  
Arts & Scis. - the core  
Fed Andrews

Business & Publ. Service

Education

Intercultural Studies  
serves other units

Grad. progs. - Master's  
~~that~~ in above areas

- future: 2 yr. <sup>concurrent</sup> coll. tech. training  
(D.A. model) prog.

Faculty recruitment

To this end, we will <sup>continue to</sup> need  
your help. All the community  
resources available will  
be sought to assist in  
the creation of Governors  
State University if we  
are truly to be of the  
people, by the people, and  
~~for the people in the~~  
service of people. You  
have had a part in establishing  
what we all dream will  
become a great University.

- motel

- Gregg's dream

Ladies & gentlemen,  
It won't happen that quickly,  
but with the helpful  
talents of all of you,  
it will happen.
