COLLEGE OF BUSINESS

New Term - New Goals- New Accomplishments

Welcome to Spring 2022 term from the College of Business at Governors State University!

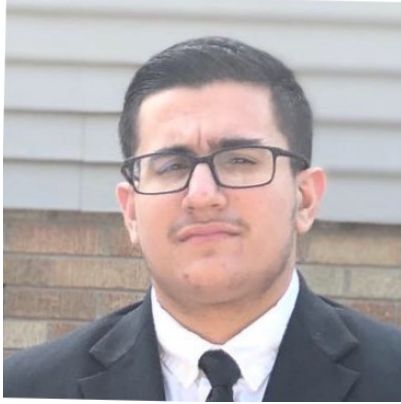

I hope you had a wonderful holiday season and are ready for the new opportunities and challenges the new year brings!

Almost two years after the COVID-19 pandemic disrupted everyone's lives, the world is still not back to "normal" as we continue to deal with the challenges caused by this unprecedented global crisis. However, with perseverance, dedication, and support to each other, we are able to accomplish a lot in the past two years despite these challenges. COB students continue to make steady progresses towards their academic goals, with support and guidance from COB faculty and staff. Our faculty continue to engage students in and outside of classrooms, produce high quality scholarship and serve their professions and community...[continue reading](#)

Internships Making a Way

Internships provide on-the-job learning where students apply the technology skills and terminology of their field and learn how to adapt to a professional culture. An internship builds valuable work experience to help our students stand out in a competitive job market. [COB](#) and [GSU's Career Services](#) provide many resources and support for students who seek an internship during their study.
