## ICE Grant

We're seeing Burt Dikelsky, CPA Executive Director, in a brand new light!

The Center for Performing Arts has recently been awarded it's third Illinois Clean Energy Grant thanks to the efforts of our Technical Director, Michael Krull. The grant was for about \$5000.00 and involves trading in our old, outdated theater lighting for new energy efficient equipment. Ten grants written at seven Illinois Universities to date bring the total to \$340,400.00.

## 100 Years of Broadway

It's finally here! The performance that all of GSU has been waiting for! This Sunday at 4 PM two students, Kimi Robaczewski and Fredi Parks, will be performing on the CPA stage with professional Broadway performers.

Betty Mohr, Southtown/Star Entertainment reporter will be doing a pre-show lecture on the History of Broadway in America. The presentation will be in the cafeteria annex at 3 p.m.

Betty also wrote a wonderful article in the Southtown/Star. Click on this link and check it out!

## Message from Diane Giles Box Office Manager

### Box Update

We are having two performances these weekend, so we have been very busy selling tickets. On Saturday we are having a rental (*Love Won't Let Go*). On Sunday we have *100 Years of Broadway*. If anyone is interested in either show, we have seats available, 2 for 1 in *100 Years Of Broadway*.

Loretta Jones' son Maverick is participating in St. Baldrick's next Saturday, March 20, 2010. I would like to see him reach his goal of \$1000, so I am sending the link to the web site, and I hope I can count on everyone to give.

### Lucia's Corner

Lucia has entered the terrible twos. Her papa thinks they have done something wrong in her upbringing. Her mamma knows better, throwing tantrums on airplanes is quite normal. They are going to Mexico next week so another plane, and a longer trip. I always ask if I can go with them when they go to Mexico but I think I'll pass is time. Lucia has a new cousin, Phoenix, and she is beautiful (not as beautiful as Lucia). See her picture.

## March Shows
