Dear Student:

WELCOME TO MEDIA-BASED INSTRUCTION!

Enclosed you will find the following information pertaining to your television course:

- Course Syllabus
- Telecourse/Teleclass Viewing Chart
- Broadcast Schedule for Jones Intercable, Channel 29
- Cable Communities Served
- College Video Home Rental Services Information
- Student Handbook for Television Courses
- Follett's GSU Bookstore Hours

If this is the first time you have taken a television course, we strongly suggest that you view our ORIENTATION tape for television courses, which is less than ten minutes long. Copies in VHS format are on reserve in the University Library for viewing there or for checking out and watching at home. The videotape and Student Handbook were developed to answer some of the questions you may have about test taking, viewing opportunities for course videotapes, how to best organize your study time, and other procedures.

There are at least two (2) sets of videotapes at the University Library for viewing in the library and at least three (3) sets for viewing at home. Videotapes for home viewing can be checked out for one week. Please note that there is usually a rush on the tapes in the library at the beginning and at the end of the trimester. Four local libraries and four colleges within a 40 mile radius of Governors State University also have selected videotapes. Some courses are carried by Jones cable channel 29 (see Viewing Chart).

Textbooks, study guides, videotapes for some courses, and other required material may be purchased from Follett's Bookstore at Governors State University. The Bookstore's hours and telephone number are in the Student Handbook. For updated recorded information about orientations, meetings and exam dates, call (708) 534-4091 from a touchtone telephone. You will need the course reference number.

If you have any questions, please contact me at (708) 534-4088.

GOOD LUCK ON YOUR LEARNING ADVENTURE!

Sincerely,
