October 30, 2013

Phase 1 E/F Wing Renovation Project construction is now complete.

- The entrance to F Building is now open, allowing access to the remainder of the Main campus building.
- Phase 2 construction is underway on the south portion of F Building. The Phase 2 project site is under control of the contractor. It is a hard hat/safety glass area and is off-limits to GSU staff and students.
- The F Elevator is closed thru the duration of the project. Handicapped access to second floor F areas is via the E Elevator located near Sherman Hall
- The bridge from G second floor to F second floor is also closed for the duration of the project
- Completion of Phase 2 is expected in the spring of 2014.

Floor plans (formatted for 11x17) showing construction demarcation and alternative access points:
