Hall of Gov.

December 13, 1973

Dr. Ben Morton
Executive Officer
Board of Governors of State
Colleges and Universities
222 South College Street
Springfield, Illinois 62706

Dear Ben,

Here is a minor chore for you over the holidays. We contacted Dan Walker's PR man to request a 16" x 22" color photo of the Governor for mounting in the GSU Hall of Governors next spring. As you know, the Hall of Governors is designed as the major entryway and is in honor of all of the governors of the State of Illinois, past, present and future. One spot on the wall of the Community Conference Center is reserved for the architectural plaque, the symbol of the University and the incumbent's picture. The secretary, which was as far as we could get, has indicated that they cannot provide such a picture because of the Governor's dictates with respect to not displaying his photo in public places.

Can you effect an exception as indicated? Perhaps your little friend over there can get to the "Guys" and induce him to acquiesce to our request.

Cheers!

Cordially yours,

William E. Engbretson
President
