New 2016 Fiscal Year Awards
(as of 3/28/16)

12 new awards were granted with a total of \$7,625,736 in awarded funds*

Content Analysis of Tobacco and E-Cigarette Use in Twitter and Instagram #Selfies

Sponsor: American Legacy Foundation/
University of Illinois at Chicago
College: CAS

Principal Investigator: **Daniel Cortese**

Award Amount: \$12,496

Dates: 1/1/2015 – 6/30/2015

Purpose: In consultation with UIC, Dr. Cortese will develop the concepts of the coding instruments and write the codebook for the selfies. Dr. Cortese will develop a subset of photos to be used for training and demonstrating intercoder reliability. He will train coders and meet weekly during the coding to maintain intercoder reliability and identify coding issues.

Early Head Start

Sponsor: US Department of Health and Human Services

College: COE

Principal Investigator: **Carol Morrison**

Award Amount: \$4,687,800

Dates: 1/1/2015 – 12/31/2019

Purpose: To provide education, nutritional and health services to children ages birth to 3 years and their families.

Catch Kids Club of Will County

Sponsor: Will County Partners for Healthy Families

College: COE

Principal Investigators: **Erin Gutierrez & Carol Morrison**

Award Amount: \$1,500 and \$1,600 in materials

Dates: 6/1/2015 – 5/30/2016

Purpose: To address obesity through nutrition education and physical activity in school-age children (grades K-5).

Uncovering How Clean is Clean: Great Lakes Invasive Species

Sponsor: Northeast-Midwest Institute

College: CAS

Principal Investigator: **Erin Grey-Avis**

Award Amount: \$8,824

Dates: 6/1/2015 – 12/31/2015

Purpose: The research program focuses on the ecology and evolution of aquatic invertebrates with projects ranging from using high-throughput DNA sequencing technology to monitor biodiversity, to identifying larval invertebrate forms, to predicting how aquatic invasive species are transported around the world.

The Big Read 2015-2016

Sponsor: NEA/ Arts Midwest

College: CAS

Principal Investigators: **Lana Rogachevskaya & Lydia Morrow-Ruetten**

Award Amount: \$12,100

Dates: 9/1/2015 – 11/30/2015

Purpose: The Big Read Project took place on the GSU campus and the surrounding communities from 9/1/15 to 11/30/15. The project included 16 literacy and cultural events, reaching over 3,700 participants featuring *Fahrenheit451*.

Philadanco

Sponsor: NEA/Arts Midwest

College: CAS

Principal Investigator: **Lana Rogachevskaya**

Award Amount: \$3,800

Dates: 9/1/2015 – 10/31/2015

Purpose: The program honored Joan Brown's phenomenal contribution to contemporary African-American dance.

The Impact of Public Hospitals' Privatization on Nurse Staffing

Sponsor: Agency for Healthcare Research and Quality

College: CHHS

Principal Investigator: **Zo Ramamonjariavelo**

Award Amount: \$84,760

Dates: 9/1/2015 – 8/31/2016

Purpose: Using a longitudinal design (1997-2012) and secondary data, and applying resource dependence theory and property rights theory, our study will address the following specific aims: 1) examine the impact of public hospitals' privatization on nurse staffing, and 2) examine whether privatization to for-profit status

* The listed awards are new to the university. They are not continuations from past grants or renewals. All funds were secured through new proposal submissions and requests.

is associated with a greater decrease in nurse staffing compared with privatization to not-for-profit status.

Healthy People 2020 and Individuals with Disabilities and Diabetes: Are we Measuring Up?

Sponsor: Robert Wood Johnson Foundation

College: CHHS

Principal Investigator: **DeLawnia Comer-HaGans**

Award Amount: \$98,188

Dates: 9/1/2015 – 8/31/2017

Purpose: To examine whether individuals with both disabilities and diabetes are on track to meet the Health People 2020 goal of achieving health equity.

The GUIDE Cancer Research Training Project

Sponsor: National Institutes of Health

College: CHHS

Principal Investigators: **Catherine Balthazar & Rupert Evans**

Award Amount: \$716,004

Dates: 9/21/2015 – 8/31/2019

Purpose: The goal of the project is to develop additional infrastructure that will build on the strengths of Governors State University and University of Illinois Chicago in order to enhance their capacity to conduct cancer health inequities research that is driven by local data and informed by the cancer-related needs of local communities.

Integrating Pathways: Student Success through Junior Year Transition

Sponsor: Department of Education

Department: Executive Administration

Principal Investigator: **Deborah Bordelon**

Award Amount: \$1,993,139

Dates: 10/1/2015 – 9/31/2020

Purpose: The project focuses on the student success in transitioning to the junior year and attaining the baccalaureate degree. The Center of the Junior year will provide the mechanism to remove the barriers toward degree completion and to increase opportunities to participate in activities that improve degree completion.

American Military in Popular Film Collection

Sponsor: Popular Culture Association American Culture Association

Department: University Library

Principal Investigator: **Joshua Sopiartz**

Award Amount: \$5,000

Dates: 1/1/2016 – 5/30/2016

Purpose: To identify and purchase films and television series about or involving the United State military in its 21 century conflicts.

Out of Bounds

Sponsor: New England Foundation for the Arts

College: CAS

Principal Investigator: **Lana Rogachevskaya**

Award Amount: \$2,125

Dates: 2/26/2016 – 11/30/2016

Purpose: The Center for the Performing Arts will bring Out of Bounds project to address the topic of cyber bullying with two components (1) a youth outreach workshop for local students in 5th to 9th grade and (2) offer a public performance to the community of parents, residents, college students and educators free of charge.

* The listed awards are new to the university. They are not continuations from past grants or renewals. All funds were secured through new proposal submissions and requests.
