News and Events

Sundaes on a Tuesday

Students, faculty, and staff are invited to a spring ice cream social on Tuesday, April 22, from 3:30 to 5 p.m., in the Hall of Governors.

Attendees will have the opportunity to meet the new Provost, Dr. Jane Hudak and engage in a question and answer session with administrators.

HLC Self Study Sets Sail

On April 2, GSU hosted its first university-wide meeting to discuss the Higher Learning Commission (HLC) Self-Study Process. The meeting was the first in a series of meetings leading up to the HLC visit in November 2009.

President Maimon spoke about the new Executive Director at HLC as well as the overall importance of this accreditation in that it supersedes all others. Provost Hudak emphasized the need for high-quality academic programs and evidence of excellence. The need for broad-based, campus-wide participation was also emphasized.

iPods were given away during the meeting. Paul Blobaum won an iPod Nano and Mona Douglas and Bill Yacullo were the recipients of iPod Shuffles.

For those unable to attend the meeting, the audio in an MP3 format will be available soon on the GSU HLC website.

If you would like to volunteer for a subcommittee, please complete the volunteer form on the website.

Further questions regarding the HLC Self-Study process may be directed to the co-chairs, Ann Vendrely and Eric Martin.

Spring/Summer 2008 Class Locations

Classrooms have already been assigned to all courses offered in Spring/Summer 2008.

Please check the Spring/Summer 2008 online schedule to find out where your courses will be held. Room assignments for Spring/Summer 2008 courses will not be posted on the bulletin board across from the Welcome Center this term or any other term moving forward. That is why it is important that you access this information before your classes begin.

If you are unable to access this information off campus, you can view your schedule, check your room assignments and/or print out your schedule from the computers outside of the Registrar's Office at any time. Don't wait until the first day of class to find your way. Check now and be better prepared for Spring/Summer 2008.
