Deputy Sheriffs have been appointed to serve in Wood Hill. They are Richard DeGrazia, Ken Koenig and Ray Wroblewski.

Calls for them will (for the time being) be relayed through the Fire Department Phone System. In the near future they will have their own phone system. Details will be given in the HERALD.

It is emphasised, dog problems should be relayed to the Monee Township "Dog Catcher".

Home Owners Meeting Wednesday, May 15, 8:00pm
INCORPORATION DISCUSSION SET FOR MAY 26, 1963

The Committee to investigate incorporation has scheduled a very important areawide meeting, open to the Public, for Sunday, May 26th, 2:00 P.M. at the Wood Hill Volunteer Fire Station, located at Exchange Street near Blackhawk Drive, according to an announcement by Robert Dowd, Committee Chairman.

Several prominent guests are scheduled to appear. Guests include John Houlihan, Assistant Will County Treasurer; Monroe Gorman, Monee Township Assessor; Arthur Hammel, City Attorney of Crest Hill; and Richard Petrarca, Monee Village Attorney.

Following a talk by Mr. Hammel and Mr. Petrarca pertaining to incorporation, the latter half of the meeting will be opened to questions from the floor. Mr. Houlihan and Mr. Gorman will also be available for questions from the floor pertaining to their offices.

Mr. Hammel and Mr. Petrarca are well experienced. Mr. Hammel has served as attorney for incorporating two new villages in Will County, Shoreland and Crest Hill. Crest Hill is now a city, and Mr. Hammel continues as City Attorney. His experiences should prove enlightening.

Mr. Petrarca, currently Monee Village Attorney, and formerly Assistant States Attorney, has until this past month also served as City Attorney of Chicago Heights. With his extensive knowledge of area codes and municipal ordinances, knowledge of present and future problems can be obtained.

Committee Members include, along with Robert Dowd; Dan Dobbert, Charles Barnhart, Case Timmer, John Pomeranski, Jerry Wien, Louis Glielmi, Alex Galbraith, Jerry Schilf, George Hansen, Ted Clark, Gene Buckmeier, Don Kieper, Dave Coon and Fabio Falcione.

Business discussed at the April Home Owners' included:
A discussion of the aims of the organization; the naming of committee heads (as outlined in the April HERALD); the decision to become the sponsoring institution for the Cub Pack and Scout Troop; zoning problems; and the "old perennial" police protection. On the latter it was explained that the Sheriff had requested a letter from the President with suggested appointees. Appointments would then, it was said, be forthcoming.
Bowling

The Wood Hill Mens Bowling League finished their year with a banquet at Cipriano's Restaurant in Chicago Heights, May 9th. Reading from top to bottom, here are the team standings: Silent Five, Hickok Wonders, Wood Hill Beavers, Handi-Cappers, Noblemen, and Wood Hill Wobblers.

More than 30 boys, eight to sixteen, (and 8 to 10 girls) showed up for the first baseball tryouts. It is good to report, no one was scratched. "Coaches" are Jim Barilow and Jim McCormick. They emphasize however, that parents, lots of parents, will be required to keep all the boys playing ball.

FIRE REPORT— Wood Hill Firemen made four runs in April—two fires, an inhalator, and a first aid call. The inhalator run was made April 19, the first-aid run (with an assist by the "police") on April 7. Both fire runs were

The "Blister Brigade" with its aches and pains keeps growing. Fence building and its attendant holes has taken its toll. The sod laying, grass seeding, tree planting activities have added their share, but the one that really takes the cake is the report of "sprained" muscles acquired turning a jump rope for a small daughter.

"Rocky" Erakovich says "Thanks" to those who bought gaslights thru him during the Gas Company's recent sale.

Wood Hill was really "charged up" during the thunderstorm, Thursday evening, May 9. Fire scooted across floors, down doors, and we understand even played tic-tac-toe on bathroom fixtures. A number of homes had fuses blown, wires fused, on the west side of the 800 block of Union, lightning struck a power pole, took out the switch gear and a transformer. Homes served by the unit were without power until a Public Service crew replaced the damaged units.

Now, let's see— you dial 1, then the area code number, then the seven digit number you want, then an operator says "What is your number, please?" then the phone rings and the people you're calling either aren't home or are in the shower. One the joys of direct long distance dialing!

And, I wonder, what happened to the days when you picked up the phone, said "Hi, Maggie, see if you can find Charlie for me" and she'd chase him all over town till he came to the phone? (Ed. note: Don't ask me, the most the operator did for me was get the number, sometimes wrong.)

And, don't forget, with the change, we no longer have to dial 9 to call Skyline, Pilgrim, Oriol numbers. We will though, have to begin dialing all the numbers to call our neighbors. Next month, sore dialing fingers.

What kind of policy will guide the Wood Hill Baseball League? Perhaps this will answer.

He was almost tearful, fearfully sure he wouldn't make the team. "How old are you?" "Seven and a half." "When's your birthday?" "January." "You're just old enough."
