Jose Alvarez, *Northeastern Illinois University*
Kathy Towe, *Western Illinois University*

This program is not an official university document. Due to rigid time requirements, it must be printed before the final lists of degree candidates can be determined. The exclusion of the name of a student is not to be taken as indication of official status as a non-graduate, nor is the inclusion of the name of a student to be taken as certification of official status as a graduate.

Photographers are requested to refrain from taking pictures during the ceremony.

 Presiding

Academic Regalia

During the commencement ceremony, students and faculty wear academic costumes indicating the wearers' degrees and colleges or fields of study.

The Cap

The black mortarboard type is the most common cap worn. Degree candidates wear cap tassels that are black and white, the university colors. Colors worn by the faculty vary according to their fields of study.

The Gown

Gowns, which are all black, are of three kinds. The bachelor's gown is relatively simple, with lines falling straight from a fairly elaborate yoke. Its distinguishing characteristic is the long pointed sleeve. Braided silken cords are worn by students who have achieved special scholastic recognition; gold signifies high honors; white, honors. The master's gown has sleeves with a back end extending down below the knee in a crescent shape. The doctor's gown is an elaborate costume with velvet panels down the front and around the neck, with three velvet bars on the bell-shaped sleeves. It is cut much fuller than the other gowns and, unlike them, may be ornamental in color.

The Hood

For each college or field of study, there is a corresponding color. At Governors State University, colors for master's hoods are:

Alcoholism and Drug Abuse Sciences	Salmon Pink
Analytical Chemistry	Golden Yellow
Art	Brown
Business Administration	Drab
Communication Disorders	Salmon Pink
Communication Studies	White
Education	Light Blue
Educational Administration & Supervision	Light Blue
English	White
Environmental Biology	Golden Yellow
Health Administration	Salmon Pink
Health Professions Education	Salmon Pink
Instructional & Training Technology	White
Intercultural Studies	White
Interpersonal Communications	White
Media Communications	White
Multicategorical Special Education	Light Blue
Music	Pink
Nursing	Apricot
Political Studies	White
Public Administration	Peacock Blue
School Counseling	Light Blue
School Psychology	Light Blue
Social Sciences	White
Sociology	White

Beryl W. Sprinkel

Dr. Beryl W. Sprinkel, a former resident of Flossmoor, has been chairman of the Council on Economic Advisors serving President Reagan since April 1985. Dr. Sprinkel also has served as Under Secretary of the Treasury for Monetary Affairs. After his service there, he was given the Alexander Hamilton Award, the Treasury Department's highest honor.

Before appointment to Washington, Dr. Sprinkel was executive vice president and economist at the Harris Trust and Savings Bank in Chicago where he worked for 28 years. He was also director of "Harris Economics," a member of *Time* magazine's Board of Economists, chairman of the Economic Advisory Committee of the American Bankers Association, and a member of the Board of Directors of the U.S. Chamber of Commerce.

Dr. Sprinkel, who has both the master of business administration and the doctor of philosophy degree from the University of Chicago, has served as a professor of economics and finance at the University of Chicago and the University of Missouri School of Business and Public Administration. He has written numerous articles and is the author of two books.

Anthony Scariano

Illinois Appellate Court Justice Anthony Scariano, a former Illinois legislator, has worked for the betterment of the south suburban area for many years as a member of the legal profession and the Illinois House of Representatives.

Justice Scariano, who earned degrees from George Washington University and the Georgetown University Law Center, was an assistant U.S. District Attorney for the Northern District of Illinois for five years. One of the early residents of Park Forest, Dr. Scariano then ran and was elected as a member of the Illinois House of Representatives for the far south suburban area where he served with distinction from 1956 to 1972.

In September 1985 Dr. Scariano was appointed to a vacancy on the First District Appellate Court. He later was elected to a full term as Justice of the Appellate Court in November 1986.

Graduates and Honored Guests:

We always are proud to welcome you to a beautifully landscaped and manicured campus on this memorable day. Today, however, we ask you to pardon the dust and less than perfect appearance of our campus due to major reconstruction and renovation projects.

We cordially welcome you to our Eighteenth Commencement Ceremony,

Governors State University Community

THE MACE

The Governors Mace, carried by the Marshal who leads the academic procession, is a symbol of the authority of the university as a degree-granting institution. The legal authority of the university is grounded in the intellectual authority of the distinguished faculty who follow in the procession.

In antiquity, the Mace was a weapon used to establish the "authority" of the physically strong. Its transformation into a symbol of intellectual authority is both a tribute to and a reminder of the civilizing force of a university's teaching, research, and community service functions.

Engraved on the four side-panels of the Governors Mace are: (1) the seal of the state of Illinois; (2) a cardinal, the state bird; (3) the seal of the Illinois Board of Governors of State Colleges and Universities; and (4) an inscription which reads "The governors Mace, a symbol of tradition and authority of Governors State University's commitment to the search for excellence in the pursuit of truth, knowledge, and the love of learning. Presented by Peter Levin, friend of the university, June 2, 1979."

Atop the Mace is a silver rendition of the university logo. The three sides of the "triangle" symbolize the university's teaching, research, and community service functions. The three lines visually suggest the shape of a rocket, reminding us both that the university was founded two days after Neil Armstrong set foot on the moon and that the university is a hope-filled, pioneering community, committed to a better future for all men and women. The circle symbolizes the fact that the university is, indeed, a community. Finally, the fact that the tips of the triangle reach beyond the circle indicates the university's outreach into the region, state, and nation and its commitment to teaching, research, and community service.
