Dear SXL Programs Graduates

Dear Graduates,

Congratulations on your achievements in the School of Extended Learning (SXL)!

Your passion brought you here and your degree is an accomplishment that will open doors for years to come. **But please DON'T STOP.**

Here, we foster lifelong learning, and I hope you will continue in this tradition, leaning on education as you transition through life. I see first-hand the impact of continuing education in the SXL and I'm glad to be on this journey with you.

Our mission at SXL is to stay connected with you as you move throughout life—at times of transition, when priorities change, or whenever you are seeking a *shift*. Whether your shift requires leadership training, an industry certification, or a new teaching platform, we determined how to move forward—together.

We all have unique life and career goals that demand an ongoing need to re-set priorities. The School of Extended Learning (SXL) at Governors State University is proud to have helped you to stay connected with your purpose, *even as it changes*.

Amy Barsha

Executive Director, SXL
