HUBBARD TRAIL PARENTS MEETING

A special meeting will be held for the parents of the students of Hubbard Trail Jr. High, to discuss the pros and cons of organizing a Parent/Teacher Group. The speaker of the evening will be Mr. Donald Grote, Principal of Skiles Jr. High School in Evanston, Ill. He will discuss some of the phases of the Jr. High School. The meeting will be held at the school tonight, at eight o'clock.

It had been felt by the PTA Council (covering School Dist. 201-U) that activities could be conducted by the existing organization at the Crete-Monee High School. However, a group of parents from the various communities involved met at the Jr. High School last month and decided to let the parents of the Jr. High students decide if they wanted a Teacher/Parent organization. The steering committee was composed of parents of the various communities in the 201-U Dist. including Balmoral, Crete, Lincolnshire, Meadowood, Monee, Talala, and Wood Hill. At the meeting tonight there will be an open discussion to consider the advisability of a separate group for Hubbard Trails, its advantages and disadvantages plus an exploration of the needs of the children in Jr. High as compared to those in High School.

Home Owner's Assn

MEETING

The regular Home Owners Meeting was postponed one week so that the Developers of Wood Hill could tell the residents of their plans for the future of the community.

The meeting will be held at the Fire Barn on Wednesday, October 23, 1963, will start at 8:00 p.m.

To learn about Wood Hill's future attend this meeting.
A PARTY THAT GREW--

Shown here are pictures of a party that grew like Topsy.

It was someone's idea that it would be fun to have a hay ride. So, on Saturday night, October 5, more than 50 Wood Hill couples met at the picnic grove adjacent to the project.

It is reported that a good (even if somewhat noisey) time was had by all.

FIRE CALLS

Sunday, Oct. 6th, 2:00 a.m. stolen car afire south of Monee Road.
Wednesday, Oct. 9th, 8:01 p.m. standby in Richton Park Fire Station (Richton Park, Matteson and others to Park Forest Fire).
Wednesday, Oct. 9th, 10:38 p.m. assisted Monee Fire Dept. on empty farm building.
Thursday, Oct. 10th, 3:05 p.m. assisted Monee Fire Dept. on empty farm building.
Thursday, Oct. 10th, 4:16 p.m. prairie fire at Blackhawk.

Thursday call proved that Wood Hill Fire Dept. could respond to two calls at once with adequate equipment and men. In the case of the Park Forest fire, other equipment was pulled out of surrounding towns to help combat the fire. This is known as mutual aid and is pre-planned. If Wood Hill has to make an assist in another town, one piece of equipment is always left behind, fully manned and ready to go. Also the nearest Fire Dept. is notified to stand by for us.

Joe Corbett, Jim Selle, and Bob Bowlin were voted on the regular Fire Dept. at the last business meeting, having completed the basic training. Membership on the Department is still open. Meeting every Monday evening or day drill every Thursday morning. Call 534-2225. Residents are welcome to any of our meetings or drills.

First Aid, basic and advanced classes have started. The course takes ten weeks to complete.

Isn't it odd, when some people get their problems straightened out, they start to worry about their neighbor's business?

Isn't it odd, we have firm convictions; our neighbors are opioned asses?

Isn't it odd, our children are normally precocious, our neighbor's kids are noisy brats?

Isn't it odd, we are interested in helping our neighbors with their problems; they are nosy busybodies?

Isn't it odd, our husbands like to relax on the weekends; our neighbors husband is a lazy slob?

Isn't it odd, we have lively discussions, our neighbors fight like cats and dogs?

Corey Robert Larson was born in Hazel Crest Hospital, July 26th. He weighed 6 pounds 9½ ounces. Living in Wood Hill has really agreed with him, he has almost doubled his weight. Corey was brought home to 524 Landau by his parents, Mr. and Mrs. Robert Larson, to be greeted by his two poodles, Mickey and Brandy (mother and daughter).

We got the idea that Mickey's welcome to visitors had a hidden meaning. She was glad to have someone admire her new master, even if he can't bark or stand on his hind legs like her Brandy.
