It is rather for us the living to be now dedicated to the great tasks remaining before us, that from this honored dead we take increased devotion to that cause for which he gave the last full measure of devotion; that we highly resolve that he shall not have died in vain; that this nation, under God, shall have a new birth of freedom, and that government of the people, by the people and for the people, shall not perish from the earth.
July 24th was the day Larry Corbett put in his appearance at St. James Hospital. His parents are Mr. and Mrs. Joe Corbett, 532 Irving. He weighed 5 pounds 14 ounces. His sister Kathy has watched her baby brother triple his weight in five months.

It was a little girl for the Frank Currie family, 926 Union Dr. Pamela Maria was born Aug. 31, in St. James Hospital. She weighed 7 pounds 2 ounces. Her arrival has spread the mantel of responsibility squarely upon the shoulders of not only her parents but her older brother Kim. Kim proudly shows off his baby sister and just as proudly shares the attentions of their dog, Flicka.

Mr. and Mrs. Albert Meyers, 900 Union Drive were delighted with the arrival of their daughter Julie Ann. She was born Oct. 5th in Ingalls Hospital and weighed 7 pounds 10 ounces. Her parents are experienced girl babysitters. Their experience was gained by tending to the needs of Julie Ann's sisters, Diane and Pamela.

Jean Bowlin was heard to mutter "If I don't have a boy, I think I'll just stay in the hospital." Gary Dwayne made it possible for his Mom to come right home. His proud father, Robert brought him home to 527 Hickok to be greeted, loved, spoiled, and badgered by his three sisters, Tonda, Merita and Deanna. Gary was born Oct.6.

The 15th of October ushered in the arrival of the fifth son of Mr. and Mrs. Ted McKay, 817 Union Drive. Timothy Charles was born in St. James Hospital and weighed 5 pounds, 9 ounces. Completing the quintet with Tim are his brothers Bobby, Jimmy, Kevin and Teddy. Tim is the fourth red headed son for the McKays. Teddy is the only member of the family without a red tone to his hair.

The Bishop has granted a dispensation from abstinence on Friday after Thanksgiving to all Catholics in the Joliet Diocese.

St. Mary's Church Annual Thanksgiving Clothing drive will take place this week. All donations should be in by Wednes. Nov. 27.

A special Mass will be held on Thanksgiving Day at 8:30 A.M. Confessions will be heard before Mass.

A word of warning. The eggnog being sold by Werner Richey is loaded with calories, they use whipping cream in the stuff!

Have you too been told by your kids that they can't go out in the rain? That the rain would melt them down, that they'd be unable to walk and survive if they were forced to face the elements? If yours are like mine, then where did all the kids come from on Halloween? There were great droves, and none of them seemed to melt, and to the best of our knowledge they all got through the night without ill effects.

And, speaking of Halloween, it was comforting to see Deputy Ray Wroblewski cruising up and down the streets (red light on) reminding all that the wee goblins were out and care was needed.

Winter seems to be late this year (and we hope this doesn't bring a blizzard). But what about a place for the kids to sled this winter? Can something be worked out? A safe place?
### TAXES

Taxes in Monee Township (which includes Wood Hill) are the lowest in Will County, according to Monroe Gorman, Assessor. He addressed those attending the November meeting of the Homeowners Association.

Assessments, he said, were based on a 55% valuation with figures arrived at by the use of a manual prescribed by action of governing bodies in Will County. The particular and peculiar requirements and regulations do lead to some apparent irregularities (if not injustices). For example, anything below the ground level is not considered at the same rate as living area above grade level. One specific result of this type of assessment is that houses purchased at a higher price than others may have to be assessed at a lower evaluation.

It was emphasized that the actual tax rate is set by various taxing bodies—not by just one. The levies are now in and regardless, the money will be raised, and taxes will not be lowered. As an example, the school tax will go up, probably 15¢ per $100 evaluation.

### THE FUTURE OF WOOD HILL

Mr. and Mrs. Homehunter
South Suburbia
Chicagoland, Ill.

This is an Invitation:
It's an announcement, too, but we'd rather ask you
to come look for yourself than simply tell you
in this letter.

Beginning this week-end, our staff will take over
the sales of homes in Wood Hill. You won't find
any announcement in today's newspaper of a grand
opening. Our three new models, in fact, are undergoing
last-minute preparations before our grand opening.

They are far enough along, however, that we're
already popping our shirt fronts in pride. We
think, dollar for dollar, they are the greatest home
values ever offered in this area.

For that reason, we'd like you to drop by for a
"sneak" look at the spacious mid-level and split-level
and the solid ranch home we'll be announcing in
newspapers throughout Chicagoland next week.

Even if you've already found the home of your
dreams, come on out to compare. We know you'll like
what you see.

Maybe even well enough to ask us if we'd listen to
a trade... which we will.

Our models, located just off Western avenue,
one-half mile south of Exchange street, will be open
Saturday and Sunday from 10 a.m. until 5 p.m....
by this invitation only.

Warmest Regards

Don Rose
