IS IT

DEAD

The last apparent activity of the Home Owners' Association was about six months ago. At that time a capacity crowd heard and discussed the further plans and opportunities for Wood Hill.

Since then we have seen no signs of life in the organization.

Does the need for such an organization no longer exist?

Do we no longer need a forum in which our community's needs and problems can be openly discussed?

Do we no longer need a place in which we can meet our new neighbors?

Do we no longer need an opportunity to express our opinions to our neighbors and attempt to convince them that our opinion is correct?

Do we no longer need to express ourselves as a community but rather let others "guess" about our desires for taxation, representation, schools and government?

It is our opinion that the need today is even greater for a community organization than before--

Shall we do something about it, or shall we, once and for all, bury the Wood Hill Homeowners' Association and let it Rest In Peace?

COMING

The Wood Hill HERALD ELECTION EDITION the week of April 5, 1964. It will tell about BETH School Board and the General Primary. Included, where to vote, maps to show how to get there--and, of course, the candidates.

SIGNS OF SPRING--the snow we had the week-end just past makes me think "I'd rather have winter", but, there's hope....

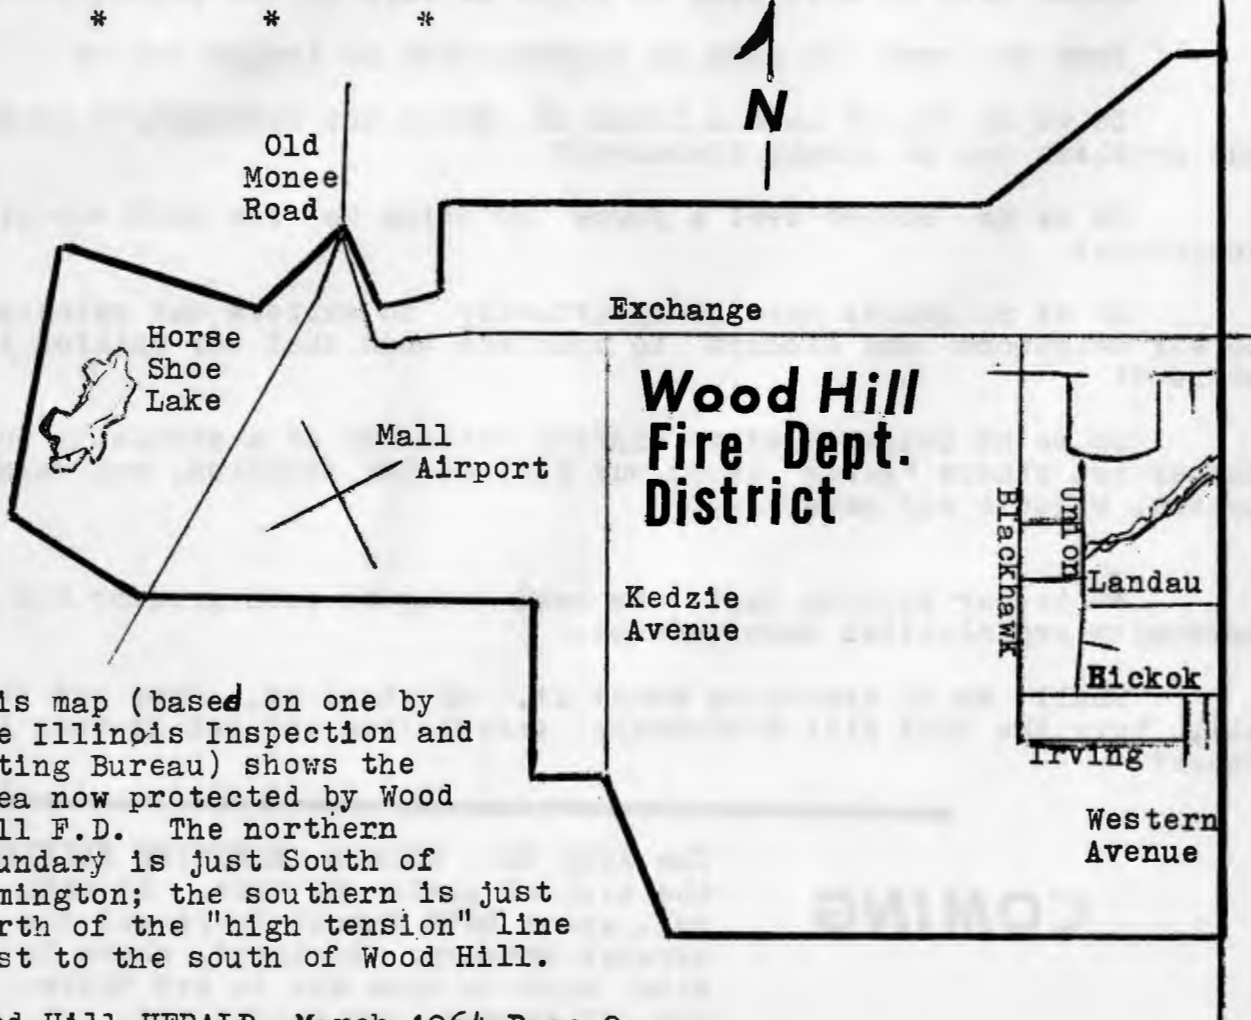

Camp Blackhawk's promotion reminds of the fine times we had there last year. They had the closest swimmin' hole (five minutes away) plus real, live trees to picnic under. We're told too that their Day Camp will have a new feature or two this year. Horseback riding will be probably the most popular of the programs.

If you're interested in saving a buck, memberships are cheaper if you sign up before June 1st.

Muddy firemen and smoke loaded firemen are signs too. The prairie fire season is with us and our firemen have been getting their share of smoke. The mud department (and most mothers expect it from their kids) has infected the Fire Dept. Two victims in a drill (auto accident) groped their way into the Fire Barn covered with Wood Hill's best---could hardly tell Frank Fouts from Jim Geil.

More signs of spring include the appearance of bicyclers, of roller skaters. One cyclist though has found out that you can't fill the tube too full. He pumped up his tire---yep, **B O O M !**

What's your theory? Bill Taylor from the Enco Station says that he gets more flat tires from Wood Hill than from any area he serves.

This map (based on one by the Illinois Inspection and Rating Bureau) shows the area now protected by Wood Hill F.D. The northern boundary is just South of Remington; the southern is just North of the "high tension" line just to the south of Wood Hill.

The remodeling in the Sands is in full swing, but business as usual still continues. There are plans for entertainment later, but we're told that a combo will "perform" with little or no coaxing most of the time, now.

Baby buggies are running up and down the streets now, tulips are poking their noses above the clay, politics are in the air, the birds are singing at 4:30 in the morning, but the surest sign of all--our dog is losing her winter underwear.

This is "Chicken Eatin' Cathy" Pride of the Wood Hill Fire Department. She said (we think) that she enjoyed the first monthly chicken dinner the fire-eaters sponsored this year. Prices are \$1.25 for adults, 75¢ for the wee ones, and buckets for \$4.00---that's 15 pieces. Cathy is the daughter of the Joe Corbett's, Irving Drive. The white glob feeding her the drum stick is Fireman Chuck Barnhart. AND, the next dinner is Sunday, April 19th. Come and enjoy the food.

Holy Saturday: Vigil Service at 11:00 PM, with the first Mass of Easter following at Midnight. Other Easter Masses will be the same as Sunday 7,8,10 and 11:30 AM.

The Wood Hill Council of the Altar and Rosary will meet at 8:30 PM on Thursday, April 9th at the home of Mrs. Lyrrell Toth, 1012 Sampson Court.

The Annual Crown and Scepter Ball will be on Saturday, April 11th, at the American Legion Hall, Halsted St. and Joe Orr Rd., Chicago Heights. The theme this year is "Around the World in One Nite". For a night of fun with a good dance band you can't beat it. If you're new in the parish, what better opportunity could you find to get to know your fellow parishioners. If you're still a bit bashful, why not make up a party. You'll have a ball.

Political Front

Local issues highlighted a "coffee" held at Byron Price's, 803 Union, on March 6th.

Present were Francis Loughran, Candidate for State Representative Delegate; Sammy Berk, for Circuit Clerk; Art O'Neil, for Coroner, and Stanley Waznis for Auditor. The host, Byron Price is Candidate for Precinct Committeeman.

Among the problems (and possible solutions) discussed were a registration and polling place in

Wood Hill, a Post Office in Wood Hill; the paving of unpaved streets; supervised playground; street lights; a more organized police department.

At a "coffee" held at the Chuck Larsen's, 805 Blackhawk on March 13, Candidate for Congressman, Edward Bundy expounded his opinions about what our representatives should do. In the picture above he is shown "sitting" on a coffee cup. Just to his left is Bob Headrick of 908 Union.

Among the points he made: "I will put country first, party second." "I will give you my full time and give up my business. 58% of elected officials are lawyers. This is not fair representation, not fairly representative of the country. We need businessmen in government." and, "I want you to know what your Congressman is doing. Every one seems to know what Congress is doing."

And, while there the HERALD asked one of its favorite questions -- "What about a polling place in Wood Hill?". Answering the question there was Jim Hall, a Republican Candidate for Clerk of the Circuit Court. He told us that such a change would have to be approved by the County Board of Supervisors. This would happen usually after the present precinct has more than 800 voters.

The HERALD asked the Telephone Company about our address listings in the phone books, "why can't you show us as living in Wood Hill?". They answered us, that until an area is incorporated (or has its own Post Office) the address listings has to be that of the exchange, which is Monee.

We also asked about the difficulties some of us have had with receiving long distance calls--- when the Operator says "Where?". They have alerted (via bulletins) the systems, that there is an exchange with the prefix 534. If you hear of trouble, let them know, and particularly, let them know the place the call was from and the time. We're assured that if this is done, it will not happen twice.

FIRE CALLS

Fire calls during the last month for the Department included a "dilly" of a prairie fire in the Steger Estates area. Five Departments fought a fire that had changing winds changing its direction from every direction. Considerable amounts of smoke were inhaled by the firemen, and oxygen was given to them to help them counteract the effects. In other calls; a barn on Western Avenue was destroyed; inhalator runs were made on March 14 & 15. On Saturday night, March 21, the Department answered a call in the area North of Exchange, West of Western when a week-end cottage was destroyed by a fire of undetermined origin.

Isn't it odd, how much better fish taste after Lent and on non-fast days?

Romona Ann Pomeranski was born February 3rd in St. James Hospital. She weighed 6 pounds, 11½ ounces. She lives at 805 Union Dr. She was welcomed by her parents, Mr. and Mrs. John Pomeranski, and her three brothers David Keith, and John, and especially by her sister Terry.

Mr. and Mrs. Charles Rinehart, 520 Irving will be delighted to tell you how wonderful their newest addition is. Bonny Joan was born in St. James Hospital, January 13th and weighed 7 pounds 5 ounces. Her parents said she is the sweetest, most beautiful, and best baby. If you don't believe them, ask Keith, Dawn, Colette, Mark or Diane. They aren't a bit prejudiced.
