Ballots will be cast next week in two elections.

The first will be to elect two representatives for membership on the 201-U School Board. The results are a foregone conclusion as there are only two candidates. They are incumbents, J. R. McCullough, presently serving as President of the Board, who is seeking his second term, and E. G. Epstein who is seeking his third term.

Polling place for the School Board election will be (for residents of Wood Hill) the Monee Elementary School. Hours are 12:00 noon until 7:00 p.m. You must be a registered voter to cast your vote on Saturday, Apr. 11th.

The School Board will be facing many problems during the coming terms. Large enrollment in the lower grades has indicated the need for more classrooms, particularly in the Junior/Senior High School. There will also, it appears, be a need for additional space at the elementary level. With these estimates based on the growth of families now living within the School District, new move-ins could further complicate the need for space.

The School Board is currently considering additions/changes to the High School Building; is investigating the possibility of adding classes rooms to some of the elementary schools, Balmoral in particular.

GENERAL PRIMARY

The general primary will be held on Tuesday, April 14. The polling place is (for Wood Hill) at 123 Shabbona in Park Forest. Most offices have more than one (Continued on Page 14)
In a state where most small businessmen will not vote in a Primary Election for fear that it may cost them customers, it is good to see that at least one is willing to not only vote, but also publicly support a candidate of his choice.

We are talking of course about Les Wills whose ad appears this month on page 9. Les is also personally responsible for the "kooky" ads that run on these pages regularly.

This issue of the HERALD, which started out to be just an election special has grown to be one of our largest issues. We are glad that we can tell you where to vote, who is running for office. We will not though try to tell you how to vote. The reason is simple. We're a devoted coward, and I'm afraid you would tell me how to do unpleasant things with the COB.

And, about this issue, too. We would like to thank Fairfax Realty for permission to use the map that is on page one. It is based on a map they prepared for use in one of their promotions.

There has been a rash of "entries" into Wood Hill homes. Some have been forcible, others would seem to indicate that a key (probably a master key) had been used. So far there has been little damage and a minimum amount of loss.

It is strongly recommended by Deputy Ray Wroblewski that locks be changed so that if someone does have a master they will not be able to enter your house by merely turning a key.

And, while on Police subjects, Ray says that he is doing giving "warnings" about speeding in Wood Hill. It's spring, the kids are out. He added, "and, I have a fresh book of tickets".

Apropos the Home Owners Association--at the meeting of the Monro Township one of the elected officers (a lawyer from Park Forest) when the road question was being booted around asked, Don't you have an organization of owners? That's the way you fight something like this.

We mentioned the "entries" into homes earlier. We wonder if the "penning up" of dogs caused by the rigid enforcement of the Dog Ordinance may have contributed to the ease with which the homes were entered. There is something about a barking dog at the heels.

And, while on dogs, I still like to see dogs out with the kids, particularly the little cute ones. Strangers don't swoop down on them.

And, more about dogs. Would the dogs do more damage than what the rabbits have done with their sharp, chewing teeth?

Our Congratulations to Bill Taylor who celebrates the formal Grand Opening of the Enco Station this week-end. We hope his career here will be long and profitable.
Dear Editor,

March 24, 1964

Fools rush in where angels fear to tread, but remember, you asked.

"Do we need an organization of Home Owners in Wood Hill?" the obvious answer is yes—but!

Many residents are still smarting from wounds received during the early organization days of Wood Hill. These wounds would be welcomed with relish if, because of them, their endeavors had borne fruits of accomplishment and the quality of harmony had been instilled in the residents.

Sadly to say, this all necessary quality of harmony seems to be absent in the efforts at organization in Wood Hill.

"Too many Chiefs and not enough Indians" is a trite expression, to say the least, but seems apropos to the question at hand. This is not to imply that there weren't enough willing workers but to point out that "MEITUS" (pronounced mee-TUS, an infection resulting in ego inflation) seemed to be plaguing our little community. Yet none of our "Chiefs" seemed to possess the strength of leadership needed to keep alive the spirit of our organizations.

As a result of the above mentioned affliction, the workers continually ran into an impregnable wall of politics, bigotry and prejudice. The kindergarten tactics used to build this wall higher would bring credit to our most industrious five year olds but only brought shame to those who originally participated in the organizations with the best of intentions.

NOTE:
The HERALD welcomes expressions of opinion, and will publish them as long as they are within the bounds of good taste and libel laws.

I can't help but wonder if the past humiliations borne by our organizers will keep them from joining, enthusiastically, in future organization attempts. If this should be the case it would be a crucial loss to our community, for many of them possessed talents not easily replaced.

The aforementioned wall was not only found in the Home Owners Organization. May I make reference here to an Association that has become, to many, a common household swear word, the Police Training Association. The original purposes of this organization, I still firmly believe, were meritorious. Yet the "MEITUS" virus raped its intentions unmercifully, leaving a bad taste in many mouths.

Further example of poor leadership, but endless enthusiasm and hard work, is the Cub Scout Organization. My son's experience with this organization was disheartening. Having been a Girl Scout leader, myself, for two years I anxiously looked forward to his participation in this group.

It would not be in keeping with the text of this letter to air the problems we personally encountered with the group and they are only mentioned as a further illustration of poor organization.

Home Owners, Police Training Assoc. and Cub Scouts, three examples of attempted organization that have sorely failed. Two facts stand out in my mind, in

EXPENDITURE OF MORE THAN $40,000 IN TAX MONEY/LEVIES APPROVED BY LESS THAN 30 PEOPLE

An expenditure of approximately $40,500, and the levying of taxes to raise that money, was approved Tuesday night by 29 electors. It was the annual Monee Township Meeting held on April 7.

Regulated by statute, the meeting was convened to approve budgets and set tax levies for the Township. It was announced by the Town Clerk, Ray Brock, that the meeting would set the Budget for the Township and appropriate funds for the Road and Bridge Fund.

Township Supervisor, John Urban was elected Moderator for the meeting. He reported that during last year the tax rate had been lowered, all bills were paid on time, a plot of land was purchased and a building, to store equipment and to serve as a Township meeting place, was erected.

An Appropriation Ordinance was passed for the fiscal year, Mar. 31, 1964 to March 30, 1965. In the Town Fund of about $15,820, there will be $10,710 in wages, $700 for election expenses, $460 for the "town building", $600 in legal costs, $600 insurance, $500 for a contingency fund, plus $2250 for other uses.

A General Assistance Fund of $2750 was approved. The total of the Town Fund (an operating Fund) and the Assistance Fund is about $4500 less than that of a year ago. The question was raised about additional expenses in the event of an additional polling place in Wood Hill. It was said that there was adequate money in the budget to handle this should it come to pass.

EXPENDITURE OF $40,500, etc
(Continued from Page 4)

Township Road Commissioner Christ Holl reported on his activities for the year past. He said that over 4000 tons of stone had been used, roads had been graded, one bridge rebuilt.

He said that the new year would see resurfacing of a number of Township roads, a new bridge at about the junction of Stuenkel and Monee Road, improvements on Crawford Avenue.

In 1963 the Road and Bridge Budget was $20,350. An expenditure of $21,945 for this fund for the current fiscal year, 1964 was approved, and the necessary ordinance levying the tax was passed.

At the end of the meeting, Byron Price attempted to obtain passage of motion directing the establishment of a new polling place in Precinct #4 (Wood Hill is in this District). His motion was ruled out of order, since the statutes direct that only matters relating to the budgets and the necessary ordinance can be considered at the annual meeting unless such other matters have been submitted in a petition prior to the meeting. No such petitions have been submitted, it was ruled that the matter was out of order, and that any action taken would be illegal.

After the meeting it was explained the matter of polling places was under County Supervision and that any changes would have to be made at that level.

Fire Dept. News

At the regular business meeting on April 1st, the nominating committee proposed a list of officers to be held in the department on May 6th. The next regular business meeting:

Candidate for Chief - Frank Fouts
" for Pres. - Charles Taft
" for V. Pres. - Delbert Jennings, Sr.
" for Sec. - Charles Barnhart
" for Treas. - Louis Koelsch

In other business, the department authorized the use of the Fire Barn by the Local Democratic Organization on April 12th.

The Fire Department wishes to emphasize that their decision was nonpolitical. The use of the Fire Barn in the past has been readily available to all organizations in the area, upon written request and approval by the department, and will continue to be available in the future.

Following is the results of the Fire Department Fund Drive for the first 35 days. It is expected that the drive will be completed not later than June 1st; according to the original announcement that pledges can be paid over a three month period.

Wood Hill HERALD is published monthly at 809 Union Drive for families in Wood Hill. Publisher is David V. Coon, Editor is Marilyn E. Coon.

April 1964 Volume III-Number 3

Please mail your check or drop your payment off at the residence of the Fire Department Treasurer Lou Koelsch, 714 Circle Dr., Wood Hill, Park Forest. Make checks or money order payable to the Fire Department.

Total value all pledges received to date, $1823.50; total cash and checks paid to date, $696.50; total value unpaid pledges, $1127.00.

Of the total number of resident families in the area (233), 217 have been contacted to date (97.4%) of those contacted 201 or 92.6% have pledged or paid into the fund drive. Total paid pledges to date is 33.2% of total pledged. Everyone in the area deserves thanks for their excellent cooperation and friendliness.

length. While it was ruled by
the chair (of the Town Meeting)
that the question did not really
belong at this particular meet-
ing a number of questions were
answered by the Township Super-
visor, John Urban.

He said that a bond had been
posted by the Developers of the
project to insure that streets
would meet the necessary spe-
cifications of the township.
When this development of streets
(in the opinion of those living
in such an area) does not follow
in a reasonable length of time,
the people living there should
go see the proper County offici-
als and ask that they (the Coun-
ty Officials) take action to see
that the bond(s) be forfeited
and that the streets be properly
completed.

In our case he suggested that
group see either the County
Highway Superintendent, James
McCarthy, or the Subdivision and
Zoning Commission. The Commiss-
ion usually meets every Wednes-
day at 3:00 p.m.

It was also noted that the only
streets in Wood Hill that have
been "accepted" by the Township
are the blacktopped ones. This
means that the unpaved streets
are maintained by the developers
and that it is their responsi-
bility (not the Township's) to
keep them in a passable condi-
tion.

AN EXPLANATION

On page 12 is a Sample Ballot
for County Board of School Trus-
tees. The specific duties of
this Board is legal and compli-
cated--simply, though, they hold
title to all school properties
in the County, and have to ap-
prove sale of any real property.

EDWARD A. BUNDY
For U.S. Congressman | 14th District | Republican Primary April 14, 1964

Dear Neighbor,

I would like you to know that a very good friend of mine, Edward A. Bundy, is a Republican candidate for United States Representative of the 14th Congressional District. I am in such complete agreement with his political philosophy and in his sincerity and dedication to his country that I heartily recommend him to you.

Please help Mr. Bundy win the April Primary Election by supporting him with your vote, and encourage others in Will and DuPage counties to do the same.

If you need any additional information, or would like to help in any way, please do not hesitate to call me.

Sincerely yours,

It is nice to see that candidates from both parties are taking notice of Wood Hill and its problems. The ads in this issue of the Herald are but one example.

There will be a rally of the Regular Democratic Party on Sunday April 12, in Wood Hill. As announced by Bryon Price, who is the Regular Democratic Party candidate for Precinct #4 Democratic Committeeman, the activities will start with a Motorcade at 2:00 p.m., followed by a Rally at the Wood Hill Fire Barn at 3:00 p.m.

Expected to be at the rally are all the candidates sponsored by the group.

In the latest about a polling place in Wood Hill, we asked the candidate for Republican Committeeman, Bob Blair, what he had to say. He said, "I would like to see the Wood Hill residents have a polling place in Wood Hill for their convenience".

He added, that changes in polling places are usually made in off years (1965 would be next); that when 800 ballots are cast it is "time for a split", that 500 voters to a poll is considered as the ideal.

Last Saturday at the High School music lovers spent an enthralling hour and a half. The Music Department of 201-U presented its third Annual Spring Music Festival. It was a beautiful lesson in progressive music education.

The 5th and 6th grade chorus, children from all the Elementary Schools sounded as though they'd been singing together all year, instead of one afternoon rehearsal and an evening performance. The Jr. High Chorus sang three fun numbers and proved that harmony and fun go hand in hand.

The Jr. High Band did a near professional job on "Victory at Sea". The audience, expecting the usual simple and often discordant numbers wouldn't let Robert Bunt retire until they had paid a prolonged and audible tribute (applause).

The Sr. High School Band did their usual workmanlike job.

The evening was fittingly climaxed by the combined bands and choruses raising the roof with the "Patriotic Fantasy" by Geo. M. Cohan. It was a thrill to hear "You're a Grand Old Flag" performed by 400 children.

The gym was packed to overflowing. The choruses had to scrooch together to make room for parents.

Registration for Talala Kindergarten will be April 15th, 8:00 P.M. in the Kindergarten Building 229 Nauvoo. The 3 teacher faculty will be present at the meeting. relation to all of them; lack of
harmony and strong leadership.

As an example of my conclusions
may I impose upon the Wood Hill
Fire Dept. for a moment. Answer
these questions for yourself. Do
they have the following? Strong,
capable leadership. Harmony a-
mong their members? Success in
their functions. Enough said,
it speaks for itself.

I don't presume to have a miracle
solution to these problems, but
perhaps this letter will stimu-
late some sound controversy or
constructive ideas will material-
ize.

Our silence on these subjects
have been golden, yet if contin-
ued, it gives the impression of
being yellow.

In conclusion, may I make mention
of something else that should be
brought to the attention of the
residents of Wood Hill. Enclosed
please find a small donation
which I hope will stimulate in-
terest in a fund being started,
for Ray Wroblewski, to further
law enforcement in Wood Hill.

It is not my intention to em-
barass Ray or his family, but it
has long been my knowledge that
he continually uses funds from
his personal income to afford us
what protection he can.

Equipment and gas must be acquir-
ed, by him, personally. I, for
one, get a comforting feeling
when I see his car patrolling
our streets.

Personally I have no compunctions
regarding this money being turned
over to him to be used at his
discretion. He has demonstrated
his integrity and capabilities
in this field in spite of many
obstacles. This is further giv-
en to him as an expression of
gratitude from my family for his
commendable efforts.
