"THERE IS A TIDAL WAVE OF KIDS COMING THAT WILL KNOCK US OFF OUR FEET"

and, because of that there is an election to decide if the School Board can build an addition to the present High School and can purchase land West of Western in Monee Township for a second Junior High.

The referendum on the $1,130,000 bond issue is to be held on Saturday, May 23. Hours are 12:00 noon to 7:00 pm. Polling place for all people in Monee Township living south of Exchange or west of Crawford is the school in Monee. Those living north of Exchange and east of Crawford will vote at Talala.

About the need—enrollment in the schools here at the end of 64-65 will be 3490; at 65-66 it will be 3785; 66-67 will be 4105; and 67-68 up to 4440, and will rise to 4790 in 68-69. AND, these figures are based on the regular growth within the school district --NOT on the speculation that a building boom or project growth will "take off".

What will happen if the bond issue is approved?
1) Enlargement of the High School to its final size, in one efficient, well planned unit. Its present capacity is about 750. This will be exceeded in September 1965.
2) Acquisition of a second Junior-Senior High School site in Monee Township (where Wood Hill is).
3) An increase in taxes. The bond issue will require an annual tax of $1.67 per $1,000 assessed evaluation, on estimated district evaluation of $45,000,000. The annual cost will decline as the total assessed value increases.

The Senior High Addition as now planned will include 12-14 general classrooms, additional science, homemaking, and industrial arts laboratories, an enlarged library, a choral music room and facilities for a comprehensive physical education program for 1260 students. The present physical education area will be remodeled into an enlarged cafeteria and auditorium facility.

Dear Editor:

TO THE EDITOR:

I wish to make a statement in regard to the comments about the rigid enforcement of the Township Dog Ordinance being a cause of the recent home break-ins in Wood Hill. I have this comment to make.

The dogs that are running loose destroying shrubbery and lawns are not in the vicinity of their homes—therefore do not protect the home. Furthermore, the reason that the dog ordinance is being enforced and a number of tickets issued is that the warnings which were handed out have been ignored and many residents have demanded that this ordinance be enforced. I do not report to Wood Hill or any other part of the township unless I am called.

Hereafter, if I am called and can not find dogs running loose, the complaining party will have to sign a complaint against the owner of the dog if he knows who it is and appear in court.

I hope this has answered the question why the Dog Ordinance has been enforced so rigidly in this particular area.

Respectfully,

Robert Person

POUNDMASTER OF MONEE TOWNSHIP

OPINION ON TWO WOOD HILL PROBLEMS

Why should small dogs and various other dogs be the exception and allowed to roam freely throughout Wood Hill? While other dog owners including myself have had to comply with the recent dog ordinance, I’ve had quite a number of complaints come back to me, very few directly to me.

A new bakery has been opened by a Wood Hill resident. He is Bob Halal, and he with the help of his wife Carol, are operating the store between Rudy's and the A & P on Sauk Trail in Richton Park.

Shown above in the store is Kathy Sullenger who succeeded Sandy Rice as Wood Hill's Police Queen. The goodies in the foreground are rolls—baked early every day, so they're really fresh.

Carol is shown below with a Whipped Cream Cake. In his baking Bob uses fresh eggs, butter, pure vegetable shortening, fresh creamery products... and there's no skimping with the fillings and icings.

Bob says he'll decorate cakes to order, as fancy as you want. He is shown here with an example.

Stop in and see the new bakery, try some, you'll like what they have.

TO THE EDITOR (from page two)

about my "vicious" Doberman Pinscher and we've since gone to considerable trouble and expense to keep our dog restricted. I do think any dog should be allowed freedom however on their owner's property and occasionally of course, a dog might get loose or run off, but if it's collared and if the people are looking for it I think this should be tolerated and realized that no intentional neglect is involved. I can really see that dogs had become a real problem in Wood Hill and understand the need for such an ordinance, but would like to see it a lot more consistently carried out. Most of the dogs that run daily through my yard and everybody else's are neither collared or have tags if they are collared.

Another opinion I'm anxious to share especially with summer coming and school soon out this business of kids being completely "turned loose" with very little or no supervision. Kids can't be left to their own devices to just run wild and not become a problem. If not a problem to their parents who are either unconcerned or irresponsible to other people or neighbors. This as far as I'm concerned has caused considerably more problems, expense and property damage than ever could be done by my dog or anybody else's.

We've heard recently about vandalism in Wood Hill and the damage that has been done to the vacant Highlander model next to us is real disgusting to say the least. It makes me wonder as well as a lot of other people if these same unsupervised ill-mannered kids that are allowed to wreck a house, tear up lawns and play in the street (much to the annoyance of people driving through Wood Hill) are responsible for the vandalism also in Wood Hill?

Dear Editor:

On May 13th, I talked to Mr. James McCarthy, Will County Superintendent of Highways, in an effort to learn more about the status of our Wood Hill streets.

First, the paved streets in Wood Hill have been accepted by the Will County Highway Dept.

Second, the various unpaved streets are all covered by full cost bonds. There should be no special assessments for paving our streets. Among other things,
before the bond can be used the highway department must check into the situation.

Mr. McCarthy has agreed to look into the situation in Wood Hill. I will contact him again within two weeks by which time he will have more information available. This information will then be passed on to you thru the Wood Hill Herald.

**Fire Dept. News**

The Wood Hill Fire Department has elected new officers. On May 6 Frank Fouts was elected as Chief; President, Charles Taft; Vice-President, Del Jennings, Sr; Secretary, Charles Barnhart; and Treasurer, Lou Koelsch.

Changes in the handling of fire alarms received by phone have been made. An additional phone is now located in the Enco Station at the corner of Western and Exchange. Fire calls may be made by calling 534-6421.

Police calls now should be made to 534-6479.

New stickers for the phone numbers of both Police and Fire will soon be distributed.

The fund drive report shows that $1110 of the $1823.50 pledged has been received by June 1.

In physical endurance demonstration, two firemen walked from Strickler's Center (Jimmy D's) to Wood Hill in 45 minutes and have challenged any takers to a walking contest.

Two fire calls were answered in the last month. On May 4 there was a fire on the rubbish pile of the farm just West of the Ball Diamond.

And, clad in aprons and cooks' hats, firemen answered a call during the Chicken Dinner on Sunday, May 17. A car burned near the corner of Exchange and Monee.

The next dinner will be the 3rd Sunday in June (21st), Fathers' Day, at the Fire Barn.
