New officers have been elected for the Wood Hill Homeowners' Association. The action culminated a month's activity in which a full slate of nominees (with competition for the most of the offices) was selected and presented.

On May 27 a meeting was held. It was proposed then that officers be elected. In the discussion following, it was decided that an election nominating committee be appointed to report to the membership on June 10. Those on the committee were Ray Hernandez Chuck Larsen, Ted MacKay, Charlotte Primavera, Berry Kalbrier, Red Benton, Leo Czyszewski, Lou Koelsch.

At the meeting on June 10, Ray Hernandez was elected President, Vice President was Chuck Larsen, Jody Harrison was selected as Secretary, Betty Kalbrier as Treasurer. Elected to the Board was Charlotte Primavera, Ted MacKay, Eldon Shaul, Major Walsh, and Dean Grant.

Paul Reitveld of the Parliament Construction Company also asked to speak to the group. He told them that he thought it was likely that new owners would shortly take over the management of Wood Hill. He explained that he had been in "the middle", and was hopeful that the situation would improve shortly.

Continued on Page 5
And then what with the election of the new Fire Chief and the ensuing changes in phones/systems, one of Beihl's finest seems to have crossed some wires. The result could be heard through out Wood Hill. Red-faced Keiper says that the siren is mighty loud!

 Been wondering (and dreading) the annual tax bill? They're running late--best scuttle--but says still a month away thanks to horseing around about the "multiplier" and "assessing" rates.

 And, while about this, if you'll have your check for taxes sent to the Township Collector, some of the money will stay in Monee Township (for sure). If it goes direct to Joliet, it may never work its way back here. There will be a note with the tax bill to explain this, so don't forget.

 Yep, summer is sure here. The picture above was taken last Saturday, June 13', the opening day at Camp Blackhawk. If you look closely, you'll see a number of Wood Hill people enjoying the cool water.

 Wondered what the general exodus from Wood Hill has been every morning for the last week? It's the "mob" heading for the Vacation Bible School at the Crete Methodist Church. Thanks to a

 The women are all members of the Wood Hill Bible Study Group. Another member of the group Marilyn Watson also volunteered. Eight out of eleven members ain't a bad average.

 The Wood Hill Ball Team (Little League age group) take on their first opponents on Saturday (tomorrow) June 20 at 9:30. They play at the school opposite the Ford Stamping Plant in East Chicago Heights. It is at the corner of Highway 30 and Cottage Grove.

Wood Hill HERALD, June 1964=Page 3=
The construction of the school addition is going along slowly, but steadily. It seems that few parishioners have noticed that the east parking lot has been extended behind the Church and School, making quite a large parking area.

The Altar and Rosary officers who recently took office are:
Pres., Mrs. Warner; V.P., Mrs. Pratl; Treas., Mrs. Farmer; Sec. Mrs. Rieke.

Mary Barnhart has graciously accepted the Chairmanship of the Wood Hill Council of the A & R, Holy Rosary Council, and wishes to extend an invitation to all Wood Hill ladies of St. Mary's to attend a meeting at her home, 711 Circle Dr. We will discuss plans for the coming year and hope to see everyone there. The meeting will be held on Tuesday, July 21, at 9 p.m. (after the tots are in bed), so mark your calendars. If you are going to be away on vacation at that time, Mary would be happy to note your ideas and present them at the meeting. Feel free to call and talk to her, 534-6757. We are open to all ideas and suggestions.

There is now a Teenage Club in Wood Hill. Officers elected are Pres., Cynthia Scroggins; V.P., Nancy Jennings; Sec., Mike Ward; Treas., Rich Mann; Ass. Treas., Keith Rinehart.

June 1964 Volume III-Number 5

Their next meeting will be held June 23, in the Fire Barn at 7:30 p.m. Kids from 12 to 19, living in or around Wood Hill are invited to join.

The Club will hold its first dance July 10, at the Fire Barn. Come to the meeting for the details.

Parents—-if your kids are going into kindergarten, or first grade, fifth grade, or ninth grade—it's time for dental and physical examinations. Health forms are available at the school offices. Go early and avoid the rush.

Fire at Sandra & Blackhawk, 6/2.
He emphasized that a $2,000,000 investment had been made here, and felt that no one was going to walk away and leave it.

Following the meeting the new President made a statement. He said, "I want to thank you, the residents of Wood Hill, for electing me as your President, and of the behalf of the other officers elected, their thanks.

"I want to impress upon the residents that the next Homeowners' meeting will be the most important meeting this community has ever held. The whole success of this meeting will determine the success of this Association."

AND, about the streets---

Chuck Larsen has checked again with the Supt. of Highways. He presented 14 letters protesting the condition of our streets. He said that Mr. McCarthy explained the procedure for the foreclosing of the bond and the completion of the streets.

First, the developer is contacted and urged to complete them, then—if this fails—the lawyers representing the developer are contacted and informed of the complaints and the necessity for completing the streets. Then, a letter is sent to the lawyers informing them that it is necessary to finish the paving.

The next step is to contact the bonding company informing them that the bond may be foreclosed. Usually the bonding company will exert considerable pressure on the developers.

If all this fails, the Sup. of Highways forecloses the bonds and the roads are paved.

It is thought that it may be necessary to foreclose the bond to have the paving completed here. Action has been taken through the first two or three steps, and letters to Mr. McCarthy, Joliet, will be helpful.

The foreclosure procedure is a lengthy one, and has been designed so that builders who have run into legitimate difficulties may be protected from the dire consequences of having their ability to be bonded destroyed.

The bonds here have a seven year limitation from the date posted so we do not have to worry about special assessments for paving.

Diana Fox, Larry Jennings, and Ron Scroggins graduated from Crete-Monee High School.
Fire Dept. News

The Wood Hill Fire Department will participate in three parades and Water Ball Contests in the next month. They will be at Dolton, July 4 (3:30 pm); South Chicago Heights, July 12 (1:30 pm); and Richton Park on August 2 at 1:30. Members of the team are Jim Geil, Lou Koelsch, Jim Scoggins, B. Stevens, Frank Fouts and Joe Fushi.

The June Chicken Dinner will be held on Father's Day, June 21. And, if you want, they'll deliver.

Fire calls answered—June 2, a fire in a stump (officially, a scrap fire) at Sandra and Blackhawk. On June 8 they answered a call for help when a child was caught in an iron railing; and, June 10, they put out a fire on a porch roof 1/2 mile west on Exchange.

In other news, the Fire Department has announced officially, that the Dance was a success—both financially and fun-wise... and speaking of money, if you've not paid your pledge, please do so now—it helps provide the protection you need.

The Wood Hill Fire Department gave an assist to the church just across Exchange on Saturday, June 13. They headed a parade to herald the start of the church's Vacation Bible School.
