REPORT

FOLLOWING IS A REPORT FROM THE BOARD OF DIRECTORS OF THE WOOD HILL HOME OWNERS' ASSOCIATION.

First, may we bring you this information that the Wood Hill Homeowners Association has undergone a new and revitalized determination to bring to the homeowners of Wood Hill the fulfillment of promises and agreements made to the purchaser of homes; 1) Paved Streets 2) Street Lights 3) Recreation Development 4) Police Protection 5) Cleaning and Dredging of Creek 6) Weed control of vacant property 7) Fullfillment of agreement to finish homes under construction.

The above list of goals are ambitious. But, the officers and directors are willing to give much time for the fullfillment of these goals. Not all, but many of the fore-stated goals will show progress. This group of dedicated men and women who are interested in community improvement, will appreciate your encouragement and backing the Homeowners Assoc.

Officers agree to serve without compensation of any form. We will bear our own expenses of time and travel to investigate the multitude of problems that beset this area. We are aware that the improvements mentioned will require expenses. Therefore, the officers and directors appeal to you to share in the costs involved. The officers and directors agree to publish all expenditures, to give each member full information on how the money is disbursed. With this assurance from us, that these proposals will be carried out, we ask you, the homeowner, to join our association. We feel that a two dollar a year donation will show your interest and concern in aiding our work. This donation will entitle you to the voting privileges dealing with matters of the Homeowners Assoc.

STREET IMPROVEMENT--Charles Larson, Chairman. Mr. Larson has presented a letter of petition from homeowners with over 180 signatures to the County Highway Supt. deploring the condition of the streets in Wood Hill. A bond was set to guarantee the paving of the streets in Wood Hill. Mr. Larson is delving into the facts pertaining to this bond being honored. More information will be given as these facts are made known.

STREET LIGHTS--Tom Walsh, Chairman. This committee is in contact with the engineers of the Wood Hill Developers.

RECREATION--Charlotte Primavera, Chairwoman. Recreation and playground facilities were promised by the developers. She will be reporting on this soon.

POLICE PROTECTION--The best possible protection is the goal of your Homeowners Assoc. This area will be explored in depth at our next meeting.

The Developers were forced by the activities of this committee to correct this deplorable condition. Needs along the creek banks must be controlled by the residents whose lots border the creek.

HATS OFF DEPARTMENT--First to Jim Scroggins for the hours he put in on Monday the 3rd when the power went off (lightning hit a transformer) and there was no power to pump the water to us. He stayed up until Public Service came out and put in a new transformer and then stayed up until he was sure that everything was going good. The spy tells us it was something like 36 hours before the snores.

Second, to the teen-agers who all jumped in and helped the Fire Ladies with their Fun Fair (which was a success). According to the gals, without the teens, the job would have been a lot harder.----and, too, hats off to the gals, too, for a nice party, we had fun (except for falling in the water when the ball hit the trip in that gadget with seats over the water).

And then there is the Will County Board of Supervisors with "The Canada Thistle And Noxious Weeds Committee". They're the ones Tom Walsh wrote to, and who in turn wrote to owners of property within the project that had not mowed -- you have noticed the mowing?

Want a picnic? Charlotte Primavera of the Homeowners Board is working on one, but we hear tell that some help would not only be appreciated, but is also needed -- so, if you'd like a picnic, call her!

The fire call on Wednesday night (Aug 12) was for a car fire near the corner of Exchange & Western.

Department of Recommendations -- several good healthy swats on the rear for those who have called in seven (7) false alarms in the last month. IT AIN'T FUNNY!

Isn't it odd -- one can have roses and kids, but have you tried to raise grass and kids together?

TEEN CLUB

Our Wood Hill Teen Club is fast becoming a real swingin' group. The kids plan their own activities (under adult supervision) and carry their own plans through.

They are now selling tooth brushes. Anyone who needs tooth brushes now or who do not have spares in the medicine cabinet would do well to buy from the Teen Club as they have a good deal of good brushes. This project is under the direction of Charlotte Primavera.

Fri., Aug. 14, a swim party will be held at the Covert Motel on Rt. 54. This is open to any Teens who wish to attend, $1 per.

VICTORY FOR PEANUTS-LITTLE LEAGUE

HOMERS BY THREE

Playing two Park Forest teams on Saturday, August 1, the two Wood Hill "smaller" teams picked up two wins. The Peanuts had a 9-2 victory with Pete Fouts and Dale Flescher with homers. Greg Hawkins was pitcher.

Kev Gibbons picked up a homer in the other game (Little League). Final score for Wood Hill pitcher Lynn Hawkins was 2-1. Other hits were by Pomeranski who had a 2 base hit; Kalbrair had a single, as did Delph.

In the Peanut game both Fouts and Forberg had singles (and it should be added, we had to lend PF some players so there could be a game).

NOT SO HAPPY PONIES

On August 5, Wood Hill played host to Sauk Village, were good hosts by bowing 11 to 1. The lone Wood Hill run was scored by Keith Rinnehart when, with a full count against him, Rich Mann belted a two bagger into right, scoring Keith.

AND, good hosts again, this time of August 10, the Wood Hill Pony team came in on the short end of a 9 to 3 with S. Chicago Heights.

The three Wood Hill runs were by Bruce Webber, (two) and Rich Mann.

WOODS SHUT OUT

And, on Thursday, August 13, the Pony Leaguers met S. Chicago Hts again. This time the score was 2 to 0. Wood Hill threatened a number of times---BUT---

NOTE--Pictures of the Sluggers---Homer run hitters, will be in the next HERALD, September---.
The HERALD loves to run pictures of new Wood Hill babies but we do need to know about them. So when you have one (or more) please let us know--phone 534-6397.
