In commemoration of our 50<sup>th</sup> anniversary,

Governors State University invites you to celebrate the opening of the academic year at our annual Convocation in the Center for Performing Arts.

This year we celebrate 50 years of innovation and tradition with the presentation of the Excellence and the Baysore awards, along with remarks from GSU President Elaine P. Maimon and Governor JB Pritzker.

A light lunch and ice cream will immediately follow in the Hall of Governors.

We invite faculty and staff who are GSU alums to walk into the auditorium under the gonfalon of your graduation decade. Please let us know if you are an alum when you RSVP and additional information will be sent to you.
