During the commencement ceremony, students and faculty wear academic costume indicating the wearer's degree and college or field of study.

### **The Cap**

The black mortarboard type is the most common cap worn. Degree candidates wear cap tassels that are black and white, the University colors. Colors worn by the faculty vary according to their fields of study.

### **The Gown**

Gowns, which are all black, are of three kinds. The bachelor's gown is relatively simple, with lines falling straight from a fairly elaborate yoke. Its distinguishing characteristic is the long pointed sleeve. The master's gown has sleeves with a back end extending down below the knee in a crescent shape. The doctor's gown is an elaborate costume with velvet panels down the front and around the neck, with three velvet bars on the bell-shaped sleeves. It is cut much fuller than the other gowns and, unlike them, may be ornamental in color.

### **The Hood**

This part of the costume is worn by the faculty and master's degree candidates. The hood bears the heaviest symbolic burden of all the components of the costume. The level of the degree is shown by the size of the hood, the width of the velvet trimming, and, in the case of doctors, by the shape. The master's and doctor's hoods are three and one-half feet and four feet long, respectively. The velvet trimming, in the same order, is three and five inches.

For each college or field of study, there is a corresponding color. At Governors State University, colors for master's hoods for each college are: drab (yellowish-brown), College of Business and Public Service; white, College of Cultural Studies; golden yellow, College of Environmental and Applied Sciences; light blue, College of Human Learning and Development. Master's degree candidates from Governors State University have a hood lining with a black chevron on a white field. The faculty wear colors of the fields of study in which they earned their degrees. The hood lining identifies the university or college from which the degree was earned.
