Ballots will be cast next week in two elections.

There is the General Election and there is the Building Bond Issue Referendum for School District 201-U. In addition to the Bond approval, voters will also be asked to approve the purchase of a site in Monee Township for a second Junior/Senior High School to serve the Western part of the District.

Voting for the General Election will be held in Park Forest (see the map). The School Bond votes will be cast at the schools. For residents of Wood Hill (this includes all who live in Monee Twp. south of Exchange) are to vote at the Monee School. If you are in Monee Twp., but live north of Exchange, you will vote at the Talala School in Park Forest.

Hours for the School election are 6:00 A.M. to 7:00 P.M.

More details of the referendum will be given at the Home Owners meeting to be held at the Fire Barn of Sunday, November 1. A representative of the School Board will be there. The meeting is scheduled for 3:00 P.M.

The easiest way to get to the Polling Place at 123 Shabbona in Park Forest is to go North on Western Ave., turn left on Monee Rd., turn right on Niagara, then right on Shabbona. Parking is on the South (right) side only.

HOME OWNERS' MEETING, at the Fire Barn, Sunday, November 1, starting at 3:00 P.M. Non-members are invited to attend (and to join).
I'll sic my dog on anyone that says our Wood Hill kids ain't nice.

We've seen during the last week ends several examples of what our kids can do.

There was the Teen Club dance when (with fancy Halloween rigs) they (about 100 in all) conducted themselves as complete ladies and gentlemen.

There was the group of kids from the Crete Methodist Church that made the rounds to collect money for UNICEF—a relief fund for children. And, who did right well at it, too.

However, to be completely honest though, we have to admit that an occasional lapse will occur—it has been reported that there have been some cases of tampering with mail in the "rural" mail boxes on Exchange. May we remind you that this is a Federal offense???

Don't forget to vote of Tuesday. And don't forget that you have to vote in two places, Monee and Park Forest.

And, while on that subject, the talk is getting louder and louder about having a polling place in Wood Hill. Both parties are saying it so, let's us say it too and push, push, push.

Word of warning...it has been reported that there was a case of at least one attempted assault on Western Avenue recently. We would suggest that care be taken about wondering alone after dark in the area.

SHORT CHANGE
(an editorial)

Little has been said about the alternatives to the School Bond proposal on which we are to vote Tuesday.

The alternative to the acceptance of the Board's proposal, is we believe, the short changing of all the children in School District 201-U.

Here are some of the things that might be done if the Bond proposal is rejected: Double shifts in schools, mobile class rooms, classes held in rented buildings (last time this was done classes were held at the race track).

And not to be forgotten, when your school plant becomes a make-shift one, you do not get the best teachers.

And, there is one thing about the money that goes for schools, you can see what it is used for, there stands a building.

We urge you, vote in favor of the proposal, don't short change your children.
what is hidden?

On Sunday, November 1, at 3:00 p.m. the Wood Hill Home Owners' Association will hold its first meeting since the present Board was elected on June 10—nearly 5 months ago.

It will be a good time to have a couple of questions answered.

What goes on at the Board Meetings that the members should not know about?

The Board has passed a motion that neither members nor the press can attend Board Meetings unless they are invited by the President.

In the opinion of the HERALD, the Home Owners' Association is a most necessary group to promote the good of Wood Hill. In the last three years the HERALD has been first in line and type to further the interest of both Wood Hill and the Home Owners' Association.

It would seem that the Board would like to be considered the quasi-governmental group for Wood Hill. We would remind the Board though, the governed have the right (guaranteed by the Bill of Rights) to hear the deliberations of the governing.

Maybe it is time to incorporate. Then the people of Wood Hill would have the right to attend Board Meetings and give their opinions and have the press represented and to report what goes on.

The Board has asked for the cooperation of the people of Wood Hill to make the Home Owners' Association a success.

When the Publisher of the HERALD went to the Board Meeting he was invited to leave. (He is also a member of the Home Owners' Association and has been since its organization.)

The motto of the Board seems to be "Pay your money, and shut up". That is a policy with which the HERALD can not live.

Can you?
TALALA PTA

Parents are invited to visit the rooms of their children at the Annual Talala PTA Open House on Wednesday, Nov. 4th. Teachers will present an explanation of classroom curriculum and the books that will be used.

Preceding the Open House there will be a short business meeting at 8:15 P.M. in the school gym.

There will be three fifteen minute visiting periods to allow parents with more than one child to hear discussions in each room.

Refreshments will be served following the classroom visits.

MONEE ELEMENTARY PTA

Monee School will have its Annual Open House Nov. 12th from 8 to 9 P.M. In conjunction with the open house will be a Book Fair. So parents will not be caught unawares, Nov. 10th the children will come dashing into the house waving a list of books a foot long that they can’t possibly live without. They have been to a preview. Nov. 11th will be a good day to pare the list down to a dozen or so "essential" ones. The books will be available for immediate sale, or should the necessary ones be gone, ordered for delivery to the school.

A short business meeting will be sandwiched in between room visitation and book fair.

Circle November 14th for a night of fun. The PTA is having a square dance and box lunch auction. For those that don’t want to take a chance on getting their own boxes, the PTA will serve bar-b-ques, donuts, cider and coffee. Come on out with your best gal and have a swinging time. Cost $1 a person or $2 a couple.

WOOD HILL 4-H REPORT

Dull? There's nothing dull about the Wood Hill Futurettes Club. Last month the girls attended the Crazy Hat Rally and came home tired but proud of Cheryl Hunter who was one of the four finalists for the craziest hat.

While working on their projects the girls have been planning their Halloween party which will be held the night of Oct. 30th. They plan on having a good party with everyone pitching in to make it a pack of fun.

The response to an article in the HERALD'S last issue, asking if anyone would like to join the 4-H, has been tremendous. There are now enough names to start a club so Mrs. Glielmi has written to Will County. They would appreciate hearing from anyone interested in being a leader. The one requirement is an interest in the future of young people. Please call 534-6639 and volunteer to lead a club.
Shown here are pictures from the Teen Club's Halloween Dance. It was held on October 24.

We urge you to vote Republican on Nov. 3.

THANK YOU

...we appreciate your patience while we are enlarging and remodeling our store. When the plaster dust and dirt has settled, you'll be better served than you have been before.

And, even with the larger store, you'll still receive the same friendly treatment, the reasonable prices you've known here.

Once more, thank you.

Dear Editor:

Editors' Note: As Mr. Price was writing this letter, his wife announced to him that she could wait no longer, it was time to leave for the hospital for #5.

This letter has been slightly edited.

"An open letter to the Voters of Wood Hill:

To those of you who do not already know, Mr. Robert Blair III Republican Committeeman of Monee Precinct #4 which takes in Wood Hill, is running for the state legislature has also been the attorney for the builders of Wood Hill for a number of years. I believe he is also the legal advisor for Monee Township.

NOTE:
The HERALD welcomes expressions of opinion, and will publish them as long as they are within the bounds of good taste and libel laws.

This information is pertinent when you wonder what has happened to Wood Hill.

Here are a number of questions which I believe should be considered:

Why haven't the streets been paved as promised by the builder when the people started moving in 3 years ago. These streets were supposed to be paved immediately after the first year.

Why doesn't the builder live up to his promise as far as repairs to the many homes (which are still pending) are concerned?

Continued on Page 10
The Annual Hard Times Dance will be held (at the Fire Barn, where else?) on November 7. Admission is free, there will be music by The Tempos, and a prize for the costume with the most patches.

The Department will have a Fish Fry on Friday, November 20. Serving will begin at 5:00 P.M.

Chief Frank Fouts attended the convention of the National Association of Fire Chiefs in Houston during his vacation trip to the Southwest.

Two F. D. members have graduated from a school on resuscitation and inhalation held in Park Forest. They are Jim Geil and Frank Fouts. In turn, these two will instruct other Wood Hill Department members. Also available for use in the training sessions will be Geradi's "Annie" a manikin used to demonstrate the proper techniques for resuscitation and inhalation.

Seven from Wood Hill attended a Fire School held last month at the Ford Stamping Plant. The course was sponsored by the Wilco Association.

There are now seven Junior members of the Department. Anyone interested should talk to any of the members of the Department.

Only one fire call was reported for October. On the 14 there was a grass fire on Deer Creek, east of Union Drive.

COMING UP

TRICK OR TREAT PARTY for kids, 4 to 14 will be held at the Fire Barn, Saturday, Oct. 31, from 6 to 8 P.M. Games, movies and of course, treats--sponsored by the Home Owners' Association.

---every minute or so a roar breaks the silence, a continuing explosion, and two jet fighters race past the window, so loaded it's painful, outbound war planes headed out. Reconnaissance planes, bombers, interceptors, in daily practice for the real thing that might happen some day, that is happening today. Pilots telling their tales over beer at the club, of sea life, lack of sleep, constant drills, the horror of Viet Nam, knowing each time they take off maybe they won't come back. A normal take-off, everything running smoothly, without afterburner, suddenly the engine flames out and an efficient instrument of war becomes a helpless missile careening earthward. Pilot pulls face mask down, ejection seat fails to operate. The crash crew picks up the charred remains of the plane, the scattered arms and legs, the cockpit canopy with fingernail scratches on it. What a waste. Never died in war, but because a 65¢ part failed.

We have the heart.

Do we have the policy?

1364 MAIN STREET
CRETE, ILLINOIS
DEAR EDITOR— Con't from Page 8

Why can't we get some action from the township or the county concerning the Wood Hill streets?

As there are three Republican election judges to be appointed, doesn't Mr. Blair think enough of the Republican voters of Wood Hill to appoint at least one of them from Wood Hill?

Why does Mr. Blair, the Republican Committeeman, want to keep the polling place across the street from his home in the front room of one of his block captains rather than a more centrally located spot such as Wood Hill?

These are just a few of the many discrepancies and shortcomings I have noted....

Ask yourself this question—Would this (current leadership) "help us any more" if elected to state office?

I think not.

Let your conscience and past leadership be your guide."
