WOOD HILL HERALD
by Alis Ellis

HE SEZ: Now is the time for all good men (members of the Husband's Protective Association, that is) to be alert! Spring is here and the wives are getting that mowing, digging, and planting gleam in their eyes. We've even heard some wives speak of painting. Old members, renew your pledge; new move-ins, join now.

Bill Taylor (of Taylor's ENCO station) informs us that he was asked if he'd like the job of plowing Wood Hill streets. He was told that the only streets the township had to plow were the paved ones.

Speaking of snow—now that it's gone, look out for that mud! The rivers of mud on the unpaved streets are murder.

SHE SEZ: In reply to the opening paragraph...PHOOEY!!

A Mother's definition of mud—that sticky mass which covers all children upon re-entry of the home. After they promised to stay on the sidewalks, of course.

HOMEOWNERS MEETING: MEMBERS VOTE THEMSELVES OUT

Under Ted McKay's by-laws committee report, the amendment to open the Board meetings to association members and members of the press regularly carrying news about Wood Hill was brought to a vote. The motion (made at last month's meeting by Publisher Dave Coon) to have the Board assess the amendment and bring it to a vote of the general membership was carried (at the last meeting). Of the 39 members present, four people abstained from voting. One, Mr. Dobbert, did not vote because according to Roberts Rules of Order, the President may not vote except to break a tie. 12 affirmative, 25 negative (including two proxy) votes were cast. The amendment did not carry. The board meetings will remain closed. Anyone wishing information on the progress being made by the various committees may read the minutes of the meetings as taken by the Secretary.

(con't on p. 4)
Friday, March 20th, in an emergency meeting the new board of directors voted to assume part of the cost of the going away party held at the fire barn for Dave and Marilyn Coon. None of the money was from Association funds; all was contributed by the Board members as individuals.

At the regular Board meeting held March 24th at 815 Union Drive the Board talked about possible amendments to the by-laws and set up a committee to canvass the area outlined in the Fire Department Protection map as Wood Hill for possible new members.

New committees were set up as follows: Mr. McKay; Publicity and By-Laws; Mr. Gilbert; Grievences; Mr. Shaul; Roads; Mr. Taylor, Incorporation; Mr. Van Lue, Membership; Mr. Hernandez, Water and Sanitation.

The annual town meeting of Monee township was held at Monee elementary at 8:00pm on April 6. About 50 residents attended.

Supervisor John Urban reviewed the expenses and activities of the township government in the past 4 years which included the construction of a new township maintenance building and the establishment of the office of poundmaster.

The town fund, the general assistance fund, and the road and bridge fund all have healthy balances.

On a motion from the floor the road and bridge fund tax was increased by $16,000, over the suggested tax to improve certain rural roads in the township.

SCHOOL BOARD ELECTIONS - TAX ISSUES

The HERALD is sorry to report that Richard Smullen won over Wood Hill candidate Lloyd (John) Allison in Monee Township. William Stanley won in Crete Township.

The tax referendum was defeated.

The meeting was opened promptly at 2pm. Jody Harrison read the minutes of the last meeting. Betty Kalbrier's treasurer's report showed that after spending $42.00 on vehicle stickers, the treasury's balance stands at $90.82.

Ray Wroblewski, who has been appointed as Public Protection Commissioner, reported that he had a complaint about the empty house at 520 Circle being rat infested. Upon entering the house, which was open, he discovered several bags of decayed garbage sitting around, the refrigerator half full of food, and various other menaces to public health. He suggested that the Board contact someone who can alleviate these conditions immediately. He also warned residents against damming the creek, as this constitutes a public menace. Three speeding citations have already been issued this month so Ray is begging drivers to slow down. He doesn't want to issue any more.

Dick Gilbert gave a report combining his own grievance committee with Ray Hernández's Water and Sanitation committee. He had a 6 hour meeting with Mr. Rietveld on March 22 during which he gleaned some additional information for some of the fraud cases. Many of the second mortgages held by Mr. Paige have been sold for $.85 on the dollar. He hopes to get Wood Hill's case reopened with Consumer Fraud and he advises Homeowners who have legal action pending to hang on-court cases take time. No one seems to be quite sure who has the accounts receivable for Wood Hill Utilities at the moment, but in a phone conversation with the President of the utilities on March 29, Mr. Gilbert gave them a deadline of April 1 to send out bills. The bills were out. The meters have been read again.

Mr. Van Lue reported that the membership now totals approximately 170 with 6 new members joining this week.

Eldon Shaul has tried to reach the state Attorney's office to confirm action on the bond forfeiture for our roads. He will call again and hopes to have affirmative information soon.

The HERALD wishes a joyous Passover to all our friends of the Jewish Faith.

4-H CLUB NEWS

Two Futurettes, Debbie Mullee and Diane Gielmi, won a white ribbon and red ribbon, respectively, at a handicraft art display held at Francis Field in New Lennox, Illinois on April 10.

Any strange sounds you hear will be the girls practicing like mad for the "Fun Night" talent show for Will County 4-H members. They've decided to string up a little group called "Old MacDonald's Kitchen Band." The show will be held at Lincolnway High School (Rte. 30) in New Lennox May first. The show is scheduled to last from 6pm until 10pm and the public is invited to attend. Our group has not been assigned a definite time to perform, so watch your weekly paper for the time.

As the HERALD was going to press, Ted McKay called and told us that he was willing to take registrations from boys interested in playing baseball this year. Players and adult workers, IF you want to keep our teams alive (see Editorial on back page) we suggest you call 534-6408.

EDITORIAL

NO VIRGINIA, THERE IS NO BASEBALL

We have the equipment, we have the ball field, and we certainly have the boys. To the dismay of the HERALD, we find that we may not have the workers. Many of the men who donated their time in past years as coaches, umpires, etc., are more than willing to help again; IF parental apathy toward lending an occasional assist is dissipated. It seems that some parents were willing to send their ball player and several little brothers or friends to the ball game; but they couldn't take the time to provide transportation for a few of the boys, or come to the field and supervise a few practices, or even take a walk over occasionally to watch a game in progress. They were too busy. They'd worked hard all day and they were too tired.

Well, the coaches and their helpers worked all day, too; they were tired, too. Many of them didn't even have a boy on a team, but they were there. Was your boy? WERE YOU?
