Equine Assisted Psychotherapy and Learning Day, May 6th

Unbridled Spirit

15520 W. Baker Road Manhattan, IL

9:30 to 3:00 p.m.

Rain Date: May 7th

Are you interested in experiential learning? Are you interested in horses? Did you know that horses can play a role in psychotherapy based upon the Eagal model? The model is an alternative therapeutic approach for people to acquire insight and discover their solutions through interaction with horses. You are invited to learn more about the Eagal model by visiting <http://home.eagala.org/works> for a demonstration of the model.

Participants in this day of learning will not be riding horses and experience with horses is not required. .

**Registration is open to GSU students, faculty and staff.
Limited to 50 participants. Must be over 18 to participate.**

**RSVP: Dr. Raven Badger, Associate Professor
CHHS, Addictions Studies and Behavioral Health
rbadger@govst.edu Office (708) 235-2160**

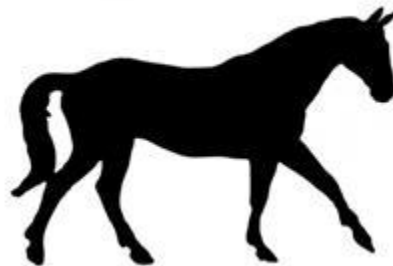

Sponsored through a GSU Intellectual Life Grant
