GSU Names 171 to First Dean's List

One hundred seventy-one undergraduate students at Governors State University have been named to the first Dean's List in the 15 year history of the university, according to Dr. David Curtis, provost and vice president for academic affairs.

To make the Dean's List at GSU for any trimester, a student must earn a minimum of six hours of graded credit with at least a 3.7 grade point average out of 4.0.

Prior to the 1983-84 academic year, the individual colleges recognized their own honor students in various ways. But there was no university-wide dean's list until it was created by the Faculty Senate last year. Traditional grading on a 4 point scale was installed at GSU in the fall of 1979.

Previously, all students were evaluated on the basis of individual competencies in each course.

The students on this first list represent 65 communities, bounded by St. Anne on the south, Plainfield on the west, Palatine on the north, and Valparaiso, Ind., on the east. However, most come from the university's traditional south suburban region.

Community College Grads Receive GSU Scholarships

The Governors State University Foundation recently awarded eight scholastically superior graduates full GSU Community College Scholarships for 1983-84. They are (back row, left to right): Shari Ginsberg, Glenwood, Prairie State College; Deborah Langland, Oak Forest, Thornton Community College; Sharon E. Fink, Peotone, Joliet Junior College; Shirley Easter, St. Anne, Kankakee Community College. Front Row: Sandra Grieger, Oak Lawn, Moraine Valley Community College; Iris Zeigler, Chicago, Olive-Harvey College; Paulette Finnegan, Chicago, Daley College; Steven Sampson, Chicago, Kennedy-King College. The GSU Foundation is a not-for-profit corporation whose purpose is to attract private funds to support the university's pursuit of excellence. It currently administers \$35,000 in endowed scholarships.

Soprano To Appear With GSU String Quartet

Karen Blunk, Park Forest, will be guest soloist with the GSU String Quartet in the ensemble's third free concert of the year on Sunday, May 18, at 3:30 pm in Music Recital Hall.

Soprano Blunk will perform "Triptych" for high voice and string quartet by Arthur Shepherd. It consists of three songs with words by the Hindu poet, Rabindranath Tagore.

The first work on the program will be Mozart's "String Quartet in E flat Major," K. 428. Borodin's String Quartet in D Major will close the program.

Blunk has been a CAS community professor of voice since 1981. She has performed numerous times with the GSU-Community Chorale and has been heard with, among others, the Park Forest Singers, Thornton Community College Evening Chorale, and Moraine Valley Community College Choir. She is a member of the Chicago Vocal Quartet and is soloist at Temple Anshe Sholom in Olympia Fields. She earned the B.A. from Augustana College and the M.M. degree from American Conservatory of Music. She currently studies with William Browning.

Karen Blunk

The GSU String Quartet is in its fifth season. In addition to two earlier concerts on campus this season, it has been heard in six off-campus concerts throughout Chicagoland. It has three others scheduled this spring. The quartet will conclude its season with the annual President's Concert on May 17 to benefit the GSU Community College Scholarship Fund.

Members of the Quartet are Raya Kodesh-Beatty and Steven Bjella, violins, Robert Shamo, viola, and Alan Rostoker, cello.

M.P.A. Degree Offered at Chanute

Residents of the Rantoul area, including personnel stationed at Chanute Air Force Base, now have the opportunity to earn a Master of Public Administration degree from GSU as the result of recent action by the Illinois Board of Higher Education (IBHE).

The university has offered two graduate level courses in public administration each trimester at Chanute since January, 1983. However, prior to the IBHE action, students were required to take some courses on campus to qualify for the MPA degree. Under the new arrangement, GSU will offer all courses locally to meet degree requirements.

This is the first time that the university has been permitted to grant a degree off campus.

Persons with a bachelor's degree from an accredited college or university who want more information about the program should call (217) 893-0852.

Pinzino, "Come Children Sing" Director, Honored

GSU's "Come Children Sing" program has been invited to give a demonstration at the bi-annual meeting of the Music Educators National Conference to be held in Chicago, March 21-24, 1984.

The demonstration will be presented Thursday, March 22, 1984. MENC is the largest professional organization in the country with a membership of over 80,000 and a convention which attracts an attendance of some 10-15,000 people bi-annually.

Those invited to make presentations are considered to be in the forefront of the specific areas in which the presentation is given and as primary authorities in the field. This invitation recognizes Mary Ellen Pinzino, director of the program, for her continuing work with children ranging in ages from birth to the jr. high level.

A UNIVERSITY RELATIONS PUBLICATION

Director: William H. Dodd
Publications Director: Joan B. Lewis
Publications Editor: Betty A. Kott

GSU Landscapes is produced by the Office of University Relations, Governors State University, University Park, Illinois 60466 and is the university's official bi-weekly publication. The title and logo are derived from "Illinois Landscapes No. 5," a sculpture by John Henry which is located in the Nathan Manilow Sculpture Park at GSU.

The next issue of Landscapes/Inscapes will be published on March 23, 1984. Deadline for copy to be included in that issue is Tuesday, March 20.

John L. Smith, district director of the U.S. Small Business Administration, Chicago, signs an agreement establishing an SBA cooperative center in the College of Business and Public Administration at GSU. Pres. Leo Goodman-Malamuth (left) and CBPA Dean Robert Milam co-signed the agreement. The center will help small businesses throughout the southern suburbs through counseling and training programs and will be a repository for SBA literature. Dr. Richard Shreve, coordinator of the Office of Business Extension Service and Training, will be in charge of the center.

Manilow Park's Sculpture Inspires Photographer

The unique environmental sculpture of the Nathan Manilow Sculpture Park, which has attracted many photographers because of its monumentality and variety, has been given a new dimension by the creative imagination of yet another photography student.

Suzanne M. Farver of Columbia College chose the park as the setting for her final class photo project. Suzanne, who has a B.A. in dance and psychology and an M.A. in Special Education, was particularly inspired by the Phoenix, and, with the cooperation of two dance students from a studio in Matteson, Illinois, set out to show that the human form and the coldness of metal can combine to create a new kind of art. The results of her work are shown here.
