GSU-COMMUNITY CHORALE PLANS NEW SEASON...The 50-member vocal group, the GSU-Community Chorale, is seeking new members in all four voices in preparation for another concert season. Newcomers do not audition, but they are required to have singing experience with church choirs or other community groups. The chorale rehearses at 8 p.m. each Monday for about 90 minutes in the campus Music Recital Hall. The first meeting will be Sept. 14. The first concert of the season is scheduled for Dec. 6. The chorale will perform the *Gloria* by Vivaldi and the *Magnificat* by Schubert. For further information, contact **Dr. Rudolf Strukoff** (CAS) at (312) 534-5000, extension 2130 or 2454.

FY88 APPROPRIATION REDUCED 13%—SURS...According to the newsletter of the State Universities Retirement System, the governor has used his amendatory veto to reduce the FY88 appropriation for the State Universities Retirement System to \$70.7 million or approximately 47% of estimated payout. This represents a 13% reduction over last year and compares to a 4% reduction for other state agencies.

To help restore the dollars cut from the FY88 appropriation, write a short note to your representative in the Illinois House and Senate asking that they support an override of the governor's reduction veto to Senate Bill 285. Your letter should be addressed in the following manner:

The Honorable (Name of your representative and senator)
(House or Senate) Post Office
State Capitol Building
Springfield, IL 62706

UIC ANNOUNCES NEW BUSINESS DEGREE...On May 5 the Illinois Board of Higher Education approved the University of Illinois at Chicago College of Business Administration's proposal for a Ph.D. degree program with seven specializations. The new program was initiated in response to inquiries by faculty members from many Chicago area colleges and universities.

MIKE REILLY NAMED EMPLOYEE OF THE MONTH...Heartiest congratulations to **Michael Reilly** who has been selected August Civil Service Employee of the Month.

Mike Reilly

Reilly, chief plant operating engineer in Physical Plant Operations (PPO), has been on staff at GSU since 1974. He started as an operating engineer, was promoted to assistant, and about five years ago was named chief operating engineer.

"I really like the people I meet at the university. Everyone is so interesting and nice," he said. "I also like the variety in my job. I never know what crisis will need my attention next." His primary responsibility is keeping the heating and cooling systems in working condition.

Before coming to GSU, Reilly worked at McCormick Place and Loop College. In 1955 the Chicago resident came to the Midwest from County Cavan, Ireland, but you can still pick out a distinctive Irish brogue in his conversation.

Reilly and his wife, **Teresa**, have been married for 27 years. For their 25th wedding anniversary they made a trip to Ireland to visit relatives and toured the European continent.

The Reillys have five children. The youngest is a student at the University of Illinois at Urbana/Champaign. The others have already graduated from college. Two work in Chicago, one in New York and one in Springfield.

For relaxation, Reilly loves watching baseball and football—and he always cheers for the White Sox and Bears.
