Mike Super has shattered the stereotypes and has taken magic in a very surprising direction. The secret to Mike's success is his natural ability to entertain and fascinate people. He has pioneered a new form of magic with his own inimitable style and personality! He transcends the "trick" and connects personally with his audience on a level they can relate to. Whether it's through television, stage, or theater, Mike's personality and humor reaches out and enchants the public. His appeal to both young and old alike has made him one of the most sought after mystifiers in the country.

He is a member of BOTH the International Brotherhood of Magicians and the Society of American Magicians. Mike's ever-growing popularity has garnered him many prestigious honors. The readers of CA Magazine (an entertainment industry publication) recognized Mike with their highest honor by naming him America's 2003 Entertainer of the Year! He won 3 awards from this publication alone in 2003, including the prestigious top honors... It was an industry first!
