Governors State University releases Dean's List for summer trimester

University Park, October 11, 2005 – Governors State University released its Dean's List for the university's summer 2005 trimester today. Of just over 4,000 students enrolled for the trimester, 305 achieved the academic qualification to make the Dean's List.

To make the university's Dean's List, students must be undergraduates and earn a 3.70 Grade Point Average (GPA) or higher.

Governors State University's Provost Paul Keys offered his personal congratulations to the students. "This is an outstanding academic achievement," he said. "It's an honor that reflects hard work, commitment, and a superior grasp of the subject matter these students have studied. I commend them."
