Vol. 2, No. 40

IT'S ALWAYS GREAT TO GET BACK HOME...And even greater for PRES. ENGBRETSON, who returned home from the hospital Monday, May 28. He's under doctor's orders to rest for another three weeks or so. His first post-convalescent activity at GSU will likely be attending Commencement Exercises June 24. Cards are welcome, but telephone calls and visits aren't encouraged. Rest is the order of day, says JERRY BAYSORE (PO).

ZEPHYR ON A SOUTH WIND...On June 1, DR. CAMERON WEST became executive director of the Illinois Board of Higher Education, succeeding DR. JAMES B. HOLDERMAN. The former V.P. for Planning at the University of North Carolina served as a consultant to BHE from April 16 to May 31 in order to facilitate an effective transition. The post he held at North Carolina from 1968-72 was comparable to his new BHE position. West received his A.B., M.A., and Ed.D. degrees all from the University of North Carolina and was awarded an Honorary Doctor of Humanities by Campbell College (Buies Creek, N.C.). He has served as a professor and academic dean of a small private college. Being 1971-72 president of the State Higher Education Executive Officers Association, he has also served on several other national commissions and received a number of honors. Welcome to the Prairie State, DR. WEST.

BUMPING AND GRINDING...In the GSU parking lots has resulted in some damage to cars. This is a very exciting place to work and study, but please be cool and considerate when pulling in and out of those sometimes tight parking spaces.

DON'T THINK YOU KNOW IT ALL...About the Park Forest Art Festival, because last week FAZE I just scratched the surface in its story. There are several GSUers who are actively involved in committees, performances, planning, and many other activities. A few of them are MILLIE LAKEN (CHLD), who is chairman of food preparations for each night (Remember? That's June 22-30); DIANE MOORE (FA), working hard on the main Festival Committee; and BOB HAUWILLER (A & R), the person who's in charge of physical arrangements. Watch for more names in future issues, and let's focus now on nightly activities. Here are scheduled events for the "whole thing:" June 22, 9 p.m.-Rock Concert; June 23, 2 p.m.-Children's Theatre; 8:30 p.m.-Dinner (Optional, at one of the Plaza restaurants before the play) and Theatre-"The Owl and the Pussycat." June 24, 2 p.m.-Children's Theatre; 8:30 p.m.-"The Owl and the Pussycat." June 25, 9 p.m.-The Illinois Youth Chorale, June 26, 9 p.m.-Dixieland with Art Hodes. June 27, 9 p.m.-GSU's Jazz Ensemble. June 28, 29-9 p.m.-"World of Carl Sandburg." June 30, 9 p.m.-"Cabaret Night." The Festival is a Park Forest Art Center presentation in cooperation with Park Forest Plaza merchants.

COURIER AND FIVES...Or there are five steps for CBPS' registration by mail for the July/August and September/October Sessions. The College has instituted this system in hopes that it will eliminate the long lines and minimize the anxieties that have characterized registrations for previous Sessions. Assistant CBPS Dean GORDON COCHRANE promises that this new mail procedure should result in a more equitable and simpler registration.

PRACTICUM IN SOCIALIZATION...Who's interested in a second annual end-of-the-year fancy affair? It will be a Black and White Ball, possibly on the evening of June 30th. PAUL HILL (SS) is polling GSUers about the event. He's asked that you call him (Ext. 396/397) before June 15 and let him know your feelings.

SOMEONE'S IN THE KITCHEN...With plans for preparing tasty viands for the Fiesta for friends and visiting migrant workers to be held Sunday, June 3, from 3 to 6 p.m. The Fiesta, sponsored by GSU and the CCS Community Council, will take place in the American Legion Hall at Joe Orr Rd. and Halsted St., Chicago Heights. Food donations are welcome, and persons planning to attend are to bring their favorite dish. If you cannot come but will donate food, phone BECKY KELLER or JUDY PILARSKI, Ext. 284, and food will be picked up. It sounds like a gala gourmet event, yet!

LET'S HARMONIZE...Next meeting of Human Services Coordinating Council of the South Suburbs is Wednesday, June 6, 1:30 p.m., in Jones Memorial Center, 220 E. 15th St., Chicago Heights. Agenda items are executive board installation; task force reports on housing, health, youth, education, job training; and special presentation on aging by LARRY McCLELLAN (CCS) et al. McCLELLAN is an at-large executive board member. HSCC boundaries of operation extend from Chicago south limits to those of Crete and Monee Townships, Indiana state line to Will-Cook County line. Its purpose is to identify, mobilize, and coordinate information and delivery of services by public and private human services agency and organization workers serving the area.

DRIPS AT A PARTY...Watergate, watergate is the subject ad infinitum, even at the embassy party that JUSTICE BOURELLY (LRC) attended while in Washington, D.C., over Memorial Day weekend.

SHOULDN'T WE TELL VIRGINIA?...Rumor has it that the latest R & I study will be a bombshell. Its results will show that in an unnamed college, 50% believe that President Nixon knew about Watergate and/or the coverup. Of these, 95% believed in the Easter Bunny. Starting the bruit was an unimpeachable source in high places.

LET'S HEAR IT FOR THE TEAM...BILL BOLINE, (CHLD) was selected by the Mid-South Health Planning Organization and U.S. Office of Education to be the educator in training with its Drug Abuse Education Team. He'll participate in Region V training workshops in Chicago this month. Training teams from Illinois, Indiana, Michigan, and Missouri will be developing community-based action programs to combat widespread drug abuse.

THERE MUST BE SOME MISTAKE.
WE TOOK AN EXAM LAST YEAR.

DANCING TO ANOTHER TUNE...Will be each set of performers in GSU's first dance production, "A Dance Concert," Friday and Saturday, June 8-9, at 8 p.m., in the Commons. Seventeen dancers have been in rehearsal for several weeks. It is presented by CCS, with Community Professors of Dance, KATHLEEN SIMS and BETTY BROWN and other GSUers participating. "A Dance Concert" is a community service and has no admission fee. Seating is limited, so call Ext. 310/311 and make reservations early.

 in 1953, he was promoted to president and director. In 1960,
 he was named chairman of the board, and then, last Friday, in
 an unprecedented move, he was apotheosized."*
