Dr. Green Reminds GSU Community to Vote

In a message to the [Governors State University](#) community, President Cheryl Green reminds listeners that just as GSU seeks transformative change through the university mission, it is the duty of all citizens to serve as a catalyst in the transformation of our community and our country.

"Responsible citizenship means exercising your right to vote," Dr. Green declared.

Speaking directly to the students of GSU, she encouraged them to "Please, answer the call to actively participate our democracy."
