Vol. 2, No. 46

ABLE-BODIED AND ABSOLUTELY FAR OUT...Are some of the adjectives that best describe the GSU Falcons, the run-producing, versatile, and dynamite GSU softball team. So far, they've won four straight games -- each victory but another in a lengthening sequence of Falcon successes. Big, fast, talented, and bad (collectively) are team members: RICH ALLEN (FA), MAXWELL BENNETT (CHLD student), BURT COLLINS (CBPS), ART EVANS (CHLD), HARVEY GRIMSLEY (A & R), RICK ISAACSON (CHLD), CLIFF KOEHLER (A & R), JOHN LOWE (CHLD), KEN SILBER (CHLD), JIM SMITH (CHLD), and ADDISON WOODWARD (CHLD). (Could "HLD" here mean Heavy Line Drivers?) It's only possible to list the team in alphabetical order -- not batting order or position played -- because they're such flexible and innovative athletes. Barbecuing their opponents, the GSU Falcons evoke fear in the hearts and debilitate the hands of teams they play (who, by the way, are all younger and supposedly stronger).

Could Pope Paul VI have been thinking of the GSU Falcons when he gave his July 4th message to the world? -- "The interest stirred among the public (by athletes) is very different from the one caused by idols of cafe society." Move over, Elvis Presley, HERE COME THE GSU FALCONS. Take your families out to the parks (fields, really) -- Exchange

and Kedzie -- on Sundays and cheer the team on through the remainder of the season. There was a make-up game Friday, July 6, at Exchange Field. Watch FAZE I for game schedule.

ARTICULATING ADMISSIONS ALREADY..."We are about 2% up from where we were this time last year in prospective student applications," stated BOB BAILEY, Director of Admissions and Records, in a progress report that compares GSU admission applications and advance registration statistics for September/October 1973-74 with September/October 1972-73. He points to a 40% increase in students admitted, with the big increase still in CHLD. His figures reflect a 29% rise in advance registrations from last year for this same period. By July 1st, prospective students for the next Session were: CBPS - 292, CCS - 66, CEAS - 122, and CHLD - 481. With 14 BOG students, grand total is 975.

AS IT WERE...Our Iowa correspondent, Iowa Press Clipping Bureau, sent us a newsclip from the Marshalltown Times Republican. It may have been printed elsewhere, but that's our source. The story is that a new restaurant has opened across from Ford headquarters in Dearborn. It's called "Henry's Place" and has on its menu a sandwich called "The Edsel." It's two thinly sliced lemons on day-old bread. And it's free.

ARRIVIDERCI AND A BIENTOT...Across the water July 1 went WARRICK CARTER, Coordinator of Music in CCS, and the GSU Jazz Sextet, to Montreaux, Switzerland, for the International Jazz Festival there. Several area businesses and Student Services Advisory Committee helped make it possible for GSU to send these ambassadors extraordinaires over there. Among the "angels" are: American Savings Bank of South Chicago Heights, Bank of Park Forest, First National Bank of Chicago Heights, Lester's of Park Forest, Matteson-Richton Bank, McDonald's, and SSAC. Only two U.S. bands (GSU and Henry Ford College, Detroit) were invited to participate. At the Notre Dame Jazz Festival, the sextet was chosen best combo, and three members won outstanding individual awards. The group is RON ASKEW, Chicago, guitar; WALTER HENDERSON, Little Rock, Ark., trumpet; JOHN PATE, Chicago, piano; CURTIS PRINCE, Chicago, drums; JEFF SIMON, Markham, bass; and EUGENE VINYARD, Park Forest South, saxophone. Their program includes compositions by Henderson, Prince, Vinyard, and their director, Dr. Carter. Bonne Chance.

AESTHETIC ATTAINMENT...JOHN PAYNE (CCS) is announcing a module, Drawing/Painting, which will be offered at GSU this Session (July/August) by JOHN WALLACE, Art Chairman at Prairie State College. This offering is made possible through the matching grant from the National Endowment for the Arts, Washington, D.C. Contact Payne for more information, Ext. 255/256.

ASSESSING, ASSOCIATING, ASSIMILATING...A "whole new town," Park Forest South is trying to do something about its problems in health care through Health Expo 73, to be held September 8 in Hickory School in Park Forest South. NICK RICHIE (CEAS), who's one of the coordinators, has identified two particular health care problems, .viz., essentially no personal health services and a lack of information for new residents, which directly concerns out-of-state GSU faculty. Everyone needs to know where the nearest health care facilities and personnel are. Health Expo 73 will be co-sponsored by Park Forest South Health Planning Committee and the Service League of Rush-Presbyterian-St. Luke's South (proposed Park Forest South Hospital).

According to RICHIE, this is an attempt to (1) provide information and counseling on specific diseases, (2) offer diagnostic testing and referral for follow-up, and (3) prepare and distribute a directory of local health services. A side benefit is working with the RPSLS Service League, which Richie describes as a group likely to play an important part in making the proposed hospital a reality. He feels proximity of the proposed hospital has implications for GSU Health Services Programs. Winding up for the pitch, Health Expo 73 needs help. Contact NICK RICHIE, Ext. 375.

ACCOMMODATION...Those trains are bound not for Glory but for Chicago and its south suburbs on the new IC schedule. PAUL HILL (SS), in an effort to ease transportation problems to and from GSU, has published a new Shuttle Schedule. The Student Services car leaves GSU for the IC station at: 8:45, 9:15, 10:00, 11:00, 12:00, 1:00, 2:00, 3:00, 4:00, and 4:25. That's every hour on the hour between 10 am and 4 pm, and at 8:45 and 9:15 am, and 4:25 pm. Service is available from the IC station to GSU at 9:00 and 9:30 am, then at 15 minutes after the hour from 10:15 to 4:15, with the last shuttle at 4:45 pm.

This is a reasonable facsimile!

ACCESSORIES...To GSU decor are Paper Recycling Boxes. When properly placed, their labels are visible. Everyone is invited to put office scrap paper in them. Picked up every other day, their contents will be baled in a baler in CEAS and stored in a shed on the permanent campus until enough has accumulated to be sold. Profits will be contributed to GSU's Emergency Fund. Please--ONLY recyclable paper, and that includes newspaper. No styrofoam, carbon paper, aluminum foil, candy wrappers, soft drink cups, food, cellophane, and ditto masters. SHARE the boxes for now, the folks are trying to get more. For answers to questions, contact BOB JENSEN, CHUCK BEUSCHINSKI, LARRY POSANKA, or JULIE TAYLOR, all CEAS.

AN ANNOUNCEMENT...PRESIDENT ENGBRETSON has returned to the University of Illinois Research and Teaching Hospital for further diagnostic work during the ensuing week. To GSUers he's saying "Thanks to everyone for the flood of cards last time I was in the hospital, and their messages are still cheering me this time also."

ACCEPTING...A suggestion to exhibit the scale model of GSU is the new Lincoln Mall Shopping Center now under construction at Lincoln Highway and Cicero Avenue.

ADVERTENCE...JIM GALLAGHER (CEAS), stringing for FAZE I, submits these two news items: In Supplement #6 of J/A 1973 Schedule from A & R, my module "Ethics and Environment" was listed as "Ethnics and Environment." Also, on my office chalkboard I found this (spelling is reported accurately)--Kevin McDuffie

WHO IS KEVIN McDUFFIE? Thank you, Jim Gallagher. And we'll all try to help you answer your question.

AMALGAMATIVE AMASSMENT...Is the program for the new GSU Credit Union. Its charter issued in May, the Credit Union welcomes members and offers an opportunity to save regularly and will eventually provide loans for a financial emergency or major expenditure. No loan applications can be accepted, though, until certain reserve amounts are in. Outstanding feature of GSU Credit Union is payroll deduction, with no limitations on monthly deductions. HOW CAN YOU JOIN? Contact CREA BROWN or MARY ANN KOUBA (both BO), who'll give you forms to fill out. Pay the 25¢ membership fee and deposit \$5 for one savings share. Then, you're a member. After that, the amount you save is up to you--there's no limit. The present Credit Union Board, appointed for a one-year term are: TOM LAYZELL (ADM), president; PAUL HILL (SS), vice-president; MARY ANN KOUBA, treasurer; BEVERLY KELLY (ADM), secretary; WILLIE MAE LAWRENCE (R & I); JOAN CAMPBELL (PER); RALPH J. WINSTON (CBPS); JOHN KIRKSEY (PER); and CREAMOULIA BROWN.
