## Governors State University releases Winter 2005 Dean's List

University Park, July 11, 2005 – Governors State University released its Dean's List for the Winter 2005 Trimester today. Of just over 5,000 students enrolled for the trimester, 547 achieved the academic qualification to make the Dean's List.

Governors State Provost Paul Keys said the distinction is particularly impressive given the nature of the university's student population.

"Governors State attracts students who are, more often than not, working adults," Keys said. "They have all of the responsibilities of family, work, and career, yet they put in the hard work to reach the highest standard of academic achievement. It reflects a serious commitment to excellence, and I commend each of them."

To make the university's Dean's List, students must be undergraduates and earn a 3.70 Grade Point Average (GPA) or higher.
