SCHOLARSHIP WINNER...is graduate student TOM FITZGERALD, recipient of the First American Logistics Association Scholarship. The \$675 scholarship goes to an individual whose family has a governmental relationship and whose intent is to utilize his/her skills in the logistical field. Fitzgerald, whose father works at the Argonne National Laboratory, is a Bureau of Labor Statistics field representative. Upon graduation he plans to enter the business field in the planning and forecasting area. His studies concentrate on econometrics, operations research, and production management. The selection committee of the ALA Scholarship was coordinated by CORA BURKS (FA), with other members including SHARYN MERRITT (CCS), GORDON COCHRANE (CBPS), PAUL GREEN (CBPS) and PETER GUNTHER (CEAS).

MOVING OVER...to Phase I during this past week were A & R, Financial Aids. Student Services, and the Cashier. Scheduled tentatively for the last week in February are CCS and CEAS. Where do CCS and CEAS move to, barring a miraculous completion of their parts of Phase I in the next few weeks? Plans are to move these Colleges to a temporary home somewhere in Phase I (but not in the portions occupied by CBPS and CHLD). The Mini-campus becomes a maxi-warehouse in March with restoration of the building already in progress.

DANCE WORKSHOP PRESENTATION...in the GSU Commons on Saturday, Feb. 16 at 8:00 p.m. under the direction of KATHLEEN SIMS (CCS Comm. Prof.). Students from the learning module "Self Awareness Through Body Movement" plus students from workshop classes conducted at the American Dance Center in Richton Park will employ what they've learned in presentations of individual creative works. The presentation is open to the public. There will be no charge for admission.

RESULTS OF UNIVERSITY ASSEMBLY ELECTION FOR REPRESENTATIVES...indicate that the following UA members will be seated at the February meeting: Faculty-at-large reps. BERND (CCS) and CHAMBERS (CEAS), CCS faculty rep. HAUGSBY, CHLD faculty rep. BROTIMAN; Support staff reps. BAYSORE (PO) and SINGER (LRC); Civil Service reps BUSH (A & R) and TAYLOR (ICC). Student reps. elected are: BERNARD SLUIS (CBPS), BECKY KELLER (CCS), JEFFREY BRUNINGA (CEAS), PAUL BISGAARD and RUTH PETTA (both CHLD). Representing the GSU students at the BOG will be BECKY KELLER.

Elections for the officers of the Assembly--Chairperson, Vice-Chairperson, and Secretary--will be held during the week of Feb. 18-23. The one week delay is due to PRES. ENGBRETSON's being off-campus and, therefore, unable to make his Presidential Appointees known.

FROM CIVIL SERVICE ORGANIZING COMMITTEE...On Friday, February 1, Board of Governors representative DAVID WIANT met with representatives from the American Federation of State, County, and Municipal Employees Union to discuss the union's request for authorization to represent Civil Service employees at Governors State University. It was determined that a card check would be conducted by the Department of Labor to show that a majority of the employees are requesting union representation.

Upon presentation of such proof, the union will be certified as the bargaining agent and negotiations will commence thereafter. A second meeting was held on Wednesday, Feb. 6, to further discuss ground rules for the card check and other matters related to the request for representation. Anyone with questions regarding this matter, or needing further information, please contact CATHY TAYLOR (ICC) at Ext. 284.

HELP WANTED; POET...GSU Poets (and/or) verifiers (and/or) poem-writers (and/or) secretaries-to-their-muses, who would like to appear in the spring series of the POETS' FORUM sponsored by CCS, should contact HUGH RANK, ext. 246. Last autumn, four local poets read their own works and commented on them (to a small, but responsive audience) at lunch-time meetings. If you write, you are invited to join. The M/A, M/J schedule is being set now.
