## Governors State University releases Fall 2004 Dean's List

University Park, April 5, 2005 – Governors State University released its Dean's List for the Fall 2004 Trimester today. Of the university's approximately 6,000 students, 579 achieved the academic qualification to make the Dean's List.

"The level of achievement required to earn this distinction is quite high," said Governors State's Provost Paul Keys. "Students must maintain a tremendous commitment to their studies and do some of the hardest work they will ever do."

Keys said Dean's List honors come only to undergraduate students who earn a 3.70 grade point average (GPA), or higher, for the Trimester and take a minimum of six credit hours.

He added that the accomplishment is all the more impressive because the typical GSU student works full time, often while raising a family.

"Our focus is on providing an accessible education for working adults," Keys said. "Students who achieve this standard of excellence have demonstrated more than academic ability; they've shown a remarkable tenacity and an ability to function well on several levels. I congratulate them. I commend them. I am proud of them."

The following Governors State University students earned Dean's List recognition for the Fall 2004 Trimester:
