"A few thoughtless persons have begun the disfiguration and spoiling of this facility. Carpeting, even though of top quality, cannot withstand spilling of liquids and 'cigaret mashing' without becoming disfigured.

"To all students, faculty and staff, I make this plea. Do not allow your thoughtlessness or that of others to deface and befoul our 'nest' before or after it is completed."

"You're not preparing me for life with those happy endings."
