## -MEETING THE NEED-

For more than a decade the Monee Township Pantry has served the needs and hungers of Park Forest, University Park, Monee, and the surrounding rural areas.

Single parent families, two parent families, and senior citizens have sought and found comfort in this sometimes over extended, and often times under supplied respite from hunger.

The pantry is stocked through generous donations from local schools, churches, civic organizations, and individuals like us. The Monee Township Pantry provides emergency food on a temporary basis to persons who are residents of the township, people who are in immediate need of food.

It is sad to think that the richest nation on the planet has neighbors going without the basic needs to sustain life...food. Know that your generosity will end up as a family's evening meal, or as a lunch for the shut-in down the street. Thank you for your kind generosity this evening.
