**C. PARKING AND OPERATING REGULATIONS**

1. The responsibility of finding legal parking space rests with the vehicle operator. Lack of space is generally not considered a valid reason for violation of regulations. All areas on campus are assumed to be "no parking" areas unless specifically marked to the contrary.
2. University maintenance and vendor vehicles must be parked in spaces as provided for such vehicles.
3. Vehicles in violation of any provision of the regulations are the responsibility of the persons in whose names such vehicles are registered and these persons will be held responsible for any such violation. In case of state-owned vehicles, responsibility lies with the person to whom the vehicle is assigned at the time of the violation.
4. Parking is prohibited at all times on grass plots or tree plots, or any other place where parking would mar the landscaping of the campus, create a safety hazard or interfere with the use of university facilities. There will be no parking in postal zones, yellow zones, fire hydrant zones, at crosswalks or sidewalks.
5. Posted speed limits on university streets and city/county streets and roads must be observed at all times; failure to observe will be a moving violation, and the University reserves the right to issue citations under the Illinois Vehicle Code for moving violations.
6. Where parking areas are clearly outlined, occupants must observe the confines of each space.
7. Operators of motor vehicles on University facilities are expected to comply with the "Rules of the Road" as outlined in Chapter 11 of the Illinois Vehicle Code (Chapter 95 1/2, Illinois Statutes 1973), and appropriate provisions of these laws; failure to observe these laws will be a moving violation.

**D. VEHICLE ACCIDENTS - ALL ACCIDENTS INVOLVING A MOTOR VEHICLE ON CAMPUS MUST BE REPORTED TO THE DEPARTMENT OF PUBLIC SAFETY OFFICE WITHIN 48 HOURS.**

**E. ENFORCEMENT**

1. The University Department of Public Safety Office shall enforce University Motor Vehicles and Parking Regulations and State Motor Vehicle Laws under Chapter 95 1/2 of the Illinois Revised Statutes (1973).
2. The Department of Public Safety shall issue Park Forest South citations for all parking violations.
3. Vehicles which are in violation of the University Motor Vehicle Parking Regulations and State Motor Vehicle Rules and Regulations may be towed away at the owner's expense.
4. Violators of University Motor Vehicle and Parking Regulations may be charged under the Criminal Trespass to Land Statute, Chapter 38, Section 21-3 of the Illinois Revised Statutes (1971).
5. Payment of parking citations will be made to the Village of Park Forest South at the Village Police Station. Payment of other traffic citations will be made at the circuit court in Monee. Contests of all citations will be decided by proceedings in the circuit court, held in Monee, Illinois.
