This Newsletter is brought to you for free and open access by the University Newsletters at OPUS Open Portal to University Scholarship. It has been accepted for inclusion in GSU View by an authorized administrator of OPUS Open Portal to University Scholarship. For more information, please contact [opus@govst.edu](mailto:opus@govst.edu).

## News and Events

### **HLC Chapter 5**

A draft of Chapter 5 of the GSU Self Study is now available for review and feedback via the [GSU HLC 2009 website](#).

As a reminder, feedback may be submitted via email at [hlc@govst.edu](mailto:hlc@govst.edu).

### **FDC 3-day program**

The Family Development Center (FDC) is now accepting enrollment in its new three-day a week, half day pre-kindergarten program, as well as its five-day a week, either full or half day, pre-kindergarten program. Both year-long programs serve the educational needs of three, four, and five year olds.

To further help families cope with current financial constraints, the FDC is offering a discount of two weeks of free preschool instruction to families with paid enrollment of one school year.

The FDC is a unique, state-of-the-art facility, which is full of color and light. Students experience a wide variety of meaningful literacy activities ranging from morning meetings to enjoying music and stories, drama, and movement activities.

Children also have gym or atrium time where large motor and social interaction skills are developed through sand and water play. Special activities vary from studio time to work with a variety of materials and on special projects. Children build things, color, draw, paint, sculpt with clay, solve puzzles, and use manipulatives.

Additional tuition adjustments are based on eligibility. For more information, visit the [FDC website](#) or call ext. 7300.

## **More CPR Grads**

As part of the Emergency Response Team's ongoing training, volunteers across the campus continue to participate in CPR/AED training courses.

The second session concluded last week with Karen Caesar-Smith, Carlos Cantu,

Lynne Clayton, Jane Garner, Lindsay Gladstone, Eric Matanyi, Eric Nicolson, Sherilyn Poole, Tamekia Scott, John Stoll, and Jan Wazio earning their certificates.

The Emergency Response Team is always looking for additional volunteers to assist in the event of a campus emergency. Interested individuals should contact [Colleen Rock](#) at ext. 7384.

## **Enrichment Seminar – Computer Science**

Computer Science is the first subject in a series of Enrichment Seminars beginning on July 20, from 5 to 7:30 p.m., in the Hall of Honors. GSU Professor Jeffrey Alfano and Oscar Herrera, GSU graduate and computer science entrepreneur, will lead the discussion.

The Enrichment Seminar series focuses on different GSU degree programs and the related careers and opportunities open to graduates. Students learn from professionals who work in the field, gain knowledge of the GSU program, and discover grant and scholarship opportunities available to current and new students. Current and prospective students as well as those interested in careers in Computer Science are welcome.

Future seminars include Interdisciplinary Studies, Criminal Justice, Elementary Education, Accounting and Business Administration, Communications, Psychology, Social Work, and Biology.

The series is sponsored by the Title V Cooperative Grant and the Latino Center for Excellence. For more information, contact 708.235.7609.
