LINDA REIMNITZ...The GSU staff and colleagues and friends in the LRC have been saddened by the cruel death of Linda Reimnitz, a member of the Serials Department. A memorial contribution in her name will be presented to the Zion Lutheran School in Matteson. Her husband of six months has been a teacher there for several years; her father has been its principal for many years; and Linda graduated from that school prior to attending Rich Each High School. Any members of the GSU community who wish to join us in this memorial may contact DOTTIE LEGGE, ext. 2235.

CANDIDATE PETITIONS...for University Assembly elections are now available through the Office of Communications or Student Services. Anyone planning to run for office must obtain signatures from 5% of their constituency (the exact number is on the petition.) Constituents may only sign as many petitions as there are positions to be filled. Petitions are to be returned no later than 8:30 a.m., Mon., Feb. 3. Names will appear on the ballots in order of filing time of completed petitions.

Elections are slated for Wed., Feb. 5, through Sat., Feb. 8, 1975 at a centrally located box. Voting will be by preferential ballot. More info from PAM MADSEN, Ext. 2345.

NSF GRANT TO EAS...will help train teachers in the improved use of science curricula. Project Director of the \$72,402 award is JOHN HOCKETT. The grant relates to 13 NSF-funded science curricula in all schools within 100 miles of GSU. The first activity will be collection of science teaching data and school demographic data, and development of a computer-based retrieval system. The system will be used in a regional self-help consultation network in the future.

COLLECTIVE BARGAINING...The first meeting of the BOG Ad Hoc Committee on Collective Bargaining was held at Northeastern Illinois University in Chicago on Tues., Jan., 21, 1975. The meeting was devoted to the organization of committee business, particularly the determination of how the various campus constituencies will be held.

#### NEW LRC HOURS

The LRC will be closed on Sunday afternoons beginning with the first Sunday in February the 2nd. The LRC hours the rest of the week will continue as follows:

Mon. through Fri. - 8:30 a.m. - 11:00 p.m.  
Sat. 8:30 a.m. - 4:00 p.m.

(See LRC Map P. 3)

GSUings...TED and BETTY ANDRWS (EAS) dropped by Urban Hills Country Club last Wednesday morning. Ted will be taking it easy for a while on the road to recovery...BEN LOWE (HLD) speaking on WCGO Jan. 30 at 8 a.m. for about 45 minutes...CHRIS LIEBSCHER (BPS) appointed to the new Rich-ton Park Building Code Board of Appeals...BRUCE MEYERS(BPS) taking the pulpit of the Chicago Heights Unitarian Universalist Church for a program described as untimely, irrelevant, and reasonably funny...TULSI SARAL (HLD) taking part in the Greener Fields South program of con-tinuing education for women on "Money and Personal Satisfaction"...PAUL LEINBERGER (EAS) named to a Park Forest committee to prepare an application for Federal funding under the Housing and Community Development Act of 1974...BOB KREBS((R&I) honored by the Central Wash-ington State College in Ellensburg, Wash. by having a multi-purpose room of a new building named after him. Bob was a staff member there and helped get grants for expansion of the college's recreation program...DON DOUGLAS (EAS) presenting slides to the Thorn Creek Audubon Society on his doctoral reserach in Antarctica on the Adelie Pinquin.

SSAC MATCHING DEDICATION FUNDS...by staff. A resolution passed by the Student Services Advisory Committee offers to provide a student contribution to the overall dedication program based on faculty/staff contributions. For each dollar contributed, SSAC will provide monies equal to twice that smount. One staff member has already contributed \$50 which be-comes \$150 when matched by SSAC. Monies raised will be used for the formal dedication program, April 20, inviting speakers of national reput-ation to the campus, entertainment, printing, etc. Hopefully, the spring dedication will attract the larger community to see and parti-cipate with GSU in the first large scale effort to invite the citizens of Illinois to the State's newest University. State funds are not budgeted for events such as dedication. Faculty and staff who wish to contribute may make checks out to the "GSU Dedication Fund" and forward them to the Office of Communications.

QUESTION OF THE WEEK? What to call the Gover-nors likenesses newly installed in the Hall of Governors? Why, "relief maps" of course, suggests JERRY STEPHENS (CCS student). If you're following the sequence of Governors, wear tennis shoes. The chronology is mounted on one wall, then the other, back and again, etc. Governor Walker may have a few zigs be-fore he gets to his zag.

RECRUITING EXHIBIT AT LINCOLN MALL...kudos to AL MARTIN, and HARVEY GRIMSLEY (CCR) for coor-dinating. Besides recruiting tables and dis-plays by BPS, a particularly attractive display by EAS (including its mobile laboratory), per-formances and displays on stage features CCS faculty and students. Twelve of the 15 stage demonstrations throughout the Thursday through Sunday effort were provided by CCS with the GSU Jazz Ensemble and Music Experience drawing a crowded 400 or so to its performances Satur-day.

ROBERT KLOSS...in keeping with Bob's will, there were no funeral or memorial services. His ashes will be interred near Milwaukee. Contributions for a permanent memorial are being received by GINNI BURGHARDT in EAS. The memorial, likely a work of art or dis-play cabinet with memorial tablet, will be placed on permanent display in the EAS Commons.

TEST RESULTS...are available for inter-pretation for the students who were ad-ministered the Undergraduate Program examination during October of 1974. Please contact Student Services or call ext. 2128.

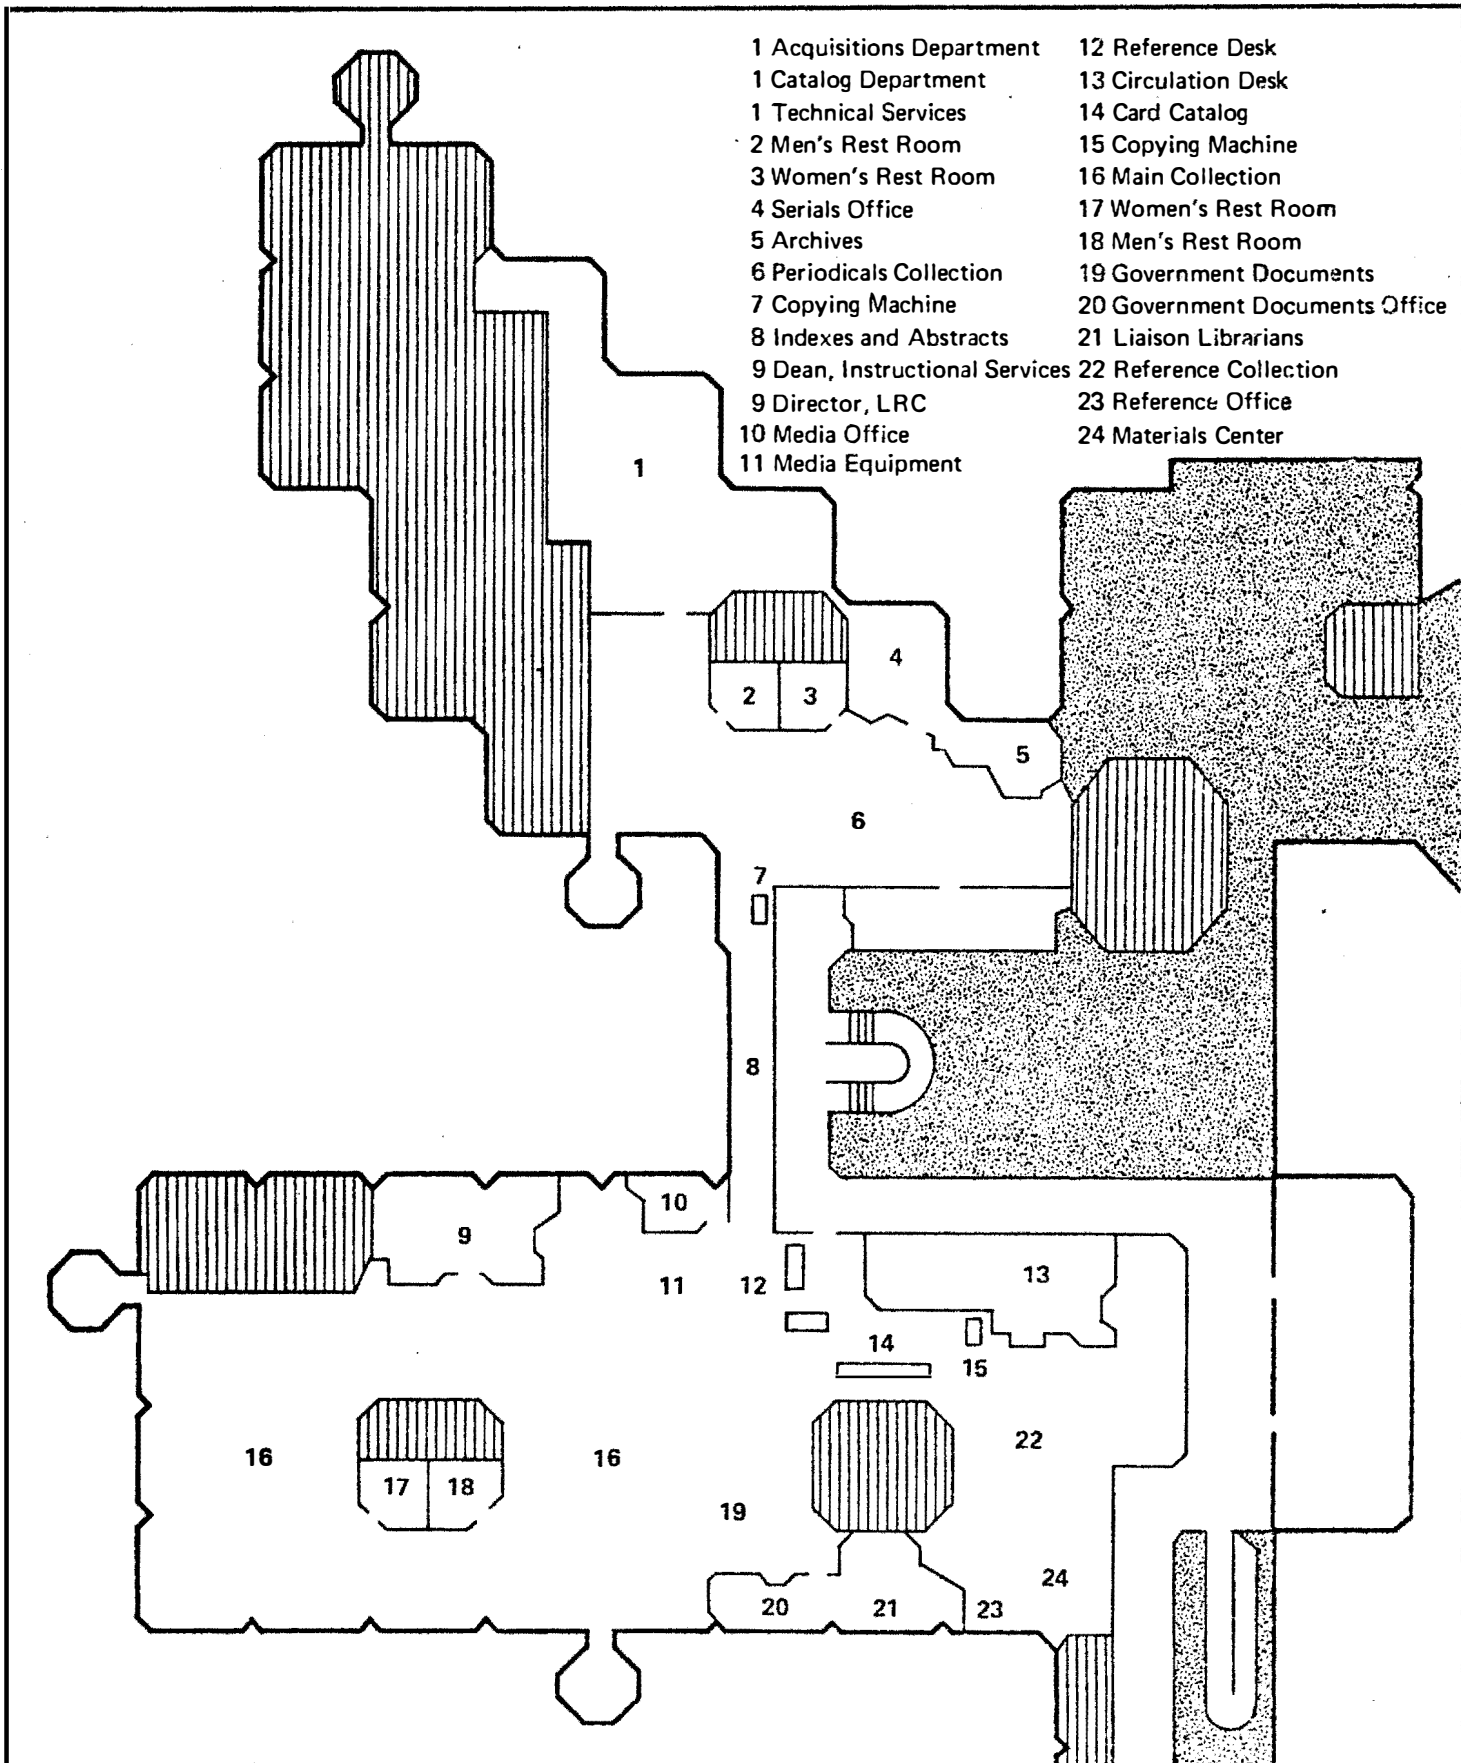

GSU IN THE MEDIA...check Channel 5 this Sunday (Jan. 26) at 10 a.m. for the Public Affairs program "Memorandum." The program deals largely with Prairie State along with GSU's joint recruiting efforts at Lincoln Mall a couple of weeks ago. Among those interviewed are the two Presidents ...Ashley Johnson of Prairie State and Bill Engbretson of GSU...featured in the local Star-Tribune Jan. 23 was DICK NICHOL-SON (BPS) who by avocation makes stringed instruments. In the last four years he's made four violins, three celli and a viola. And you thought he was all business.
