THE TRIMESTER COMETH...A trimester academic calendar will begin in September, 1975. The calendar will consist of a fall trimester (approx. September-December), a winter trimester (approx. January-April), and a spring/summer trimester (approx. May-August). Each new trimester will consist of three blocks: block 1, 16 weeks, and blocks 2 and 3, eight weeks each, with a one- or two-week break between trimesters.

A one-week evaluation period is scheduled at the end of each block 1, and a half-week evaluation period after each block 2 and 3.

Classes will not meet during the evaluation periods or breaks. Intensive workshops and/or short courses may be scheduled during either block 2 or 3.

Registration will be held before each trimester. The full-time student load during the fall and winter trimesters will be 12-16 units. During spring/summer trimester, when new admissions are allowed for block 3, a full-time student load will be 6-8 units per block, or a total of 12-16 units during the trimester.

An optional deferred payment plan allowing students to make trimester fee payments in at least two installments will be established.

Each college may provide schedules so that approximately 50 per cent of its modules will be in block 1, 25 per cent in block 2, and 25 per cent in block 3. The colleges are encouraged to offer self-instructional modules, particularly during block 3.

"SWIM-IN'S LIB"...The university women's studies program is sponsoring an open swim to ladies in the community, GSU students, staff and faculty weekly from 7 to 9 p.m. Participants should bring a lock to safeguard belongings in lockers. Donations will be accepted to cover expenses for the lifeguard.

DID YOU KNOW...Mary P. Endres, V-P Academic Affairs, at a recent Western Illinois alumni banquet was given a plaque "in recognition of significant service in advancing human welfare; for outstanding success in professional and vocational endeavors; for leadership in civic and community activities, and for honorable representation of Western." Dr. Endres was selected as the "top professor" by students at Purdue University in 1970.

"SELF AWARENESS THROUGH BODY MOVEMENT"...A dance module instructed by Kathleen Sims (CCS), will be offered in the M/J Session for 2 Units credit. The class meets Tuesday & Friday, 7 pm, at the American Dance Studio, Richton Park. The index number for the Module, CS641, was not listed in the "Spring Board" schedule.
