**NEW PROVOST ANNOUNCED...** President Leo Goodman-Malamuth II has announced the appointment of Dr. Curtis L. McCray as Vice President of Academic Affairs at GSU. Dr. McCray has been vice president of academic affairs and associate professor of English at Saginaw Valley State College, University Center, Mich., since 1975. He previously served as Dean of the School of Arts and Sciences and was chairman of the department of English at Saginaw Valley. He served as assistant professor of English at Cornell College and taught English at the University of Nebraska prior to joining SVSC. Dr. McCray received his B.A. degree with a major in psychology from Knox College in Galesburg, Ill. and his Ph.D. in English from the University of Nebraska. He was also a Woodrow Wilson Fellow in psychology at the University of Pennsylvania. Of Dr. McCray's appointment, President Goodman-Malamuth stated: "I am delighted that Dr. McCray is coming to Governors State University. He is experienced in academic administration, understands the thrust of non-traditional education, is a scholar in his own right, and brings to us a breadth of understanding of higher education. Under his leadership we will continue to pursue aggressively our goal of academic excellence. Further, in the name of the Governors State community, I wish to thank Dr. Ted Andrews for his distinguished service during these past 18 months."

**FY78 SALARIES-**(All non-negotiated employees) On or about July 1, all non-negotiated personnel, both civil service and professional, will receive letters regarding FY78 salaries. In Fiscal Year 1978 all University employees not represented by a bargaining unit will receive salary increases effective July 1. GSU will attempt to implement the proposed increases on the July 15 payroll. The letter received by non-negotiated personnel will cover proposed salary increases based on the Board of Governors systemwide guidelines for the first 4% of salary increase dollars available. It is anticipated that an additional 1% to 1½% may be appropriated for merit increases. In that event, any merit increases awarded will be retroactive to July 1.
