LET THERE BE LIGHT...The GSU pylon at Univer-
sity Drive and Stuenkel Road has been beauti-
fully spot-lighted thanks to Richard Helsel,
member of the GSU Foundation Board. Mr. Helsel,
president of Helsel-Jepperson Electrical, Inc.
donated the lights for each entrance to GSU.
He also contacted Mr. George Bova of Losco
Electric Co. who donated the electrical con-
tracting services required to install the
lights. Work will soon be underway to emplace
the lights at the Crawford entrance.

LETTERS, WE GET LETTERS...

To Staff of Faze I:

In reading Vol. 6, No. 41 your article
lead in for NCTE Publications on Nonsexist
Language, "HE IS NOT SHE," disturbed me. "In
the interest of all involved in the business
of communicating in a world whose conscious-
ness has been raised," I question the "has
been raised" -- is being raised, yes, but
it is no where close to being raised till all
oppression is void. Never assume it's raised
completely till then.

comment from our readers. As space permits
we will print responses.

Sex-Role Stereotyping

1. Women should be shown as participating equally with men; they should not be omitted or treated as subordinate to men. Thus generic terms such as doctor or nurse should be assumed to include both men and women; "male nurse" and "woman doctor" should be avoided.

Examples

Writers become so involved in their work that they neglect their wives and children.

Sally's husband lets her teach part-time.

Alternatives

Writers become so involved in their work that they neglect their families.

Sally teaches part-time.

2. Jobs, roles, or personal characteristics should not be stereotyped by sex.

Examples

the elementary teacher . . . she

the principal . . . he

Have your Mother send cookies for the field trip.

Write a paragraph about what you expect to do when you are old enough to have Mr. or Mrs. before your name.

(spelling exercise)

While lunch was delayed, the ladies chattered about last night's meeting.

Alternatives

elementary teachers . . . they

principals . . . they

Have your parents send cookies for the field trip.

Write a paragraph about what you expect to do when you grow up.

While lunch was delayed, the women talked about last night's meeting.

Sample Revised Passages

Many of the general problems just discussed overlap in practice. Substantial revisions are sometimes necessary:

Example

O'Connors to Head PTA

Jackson High School PTA members elected officers for the 1975-76 school year Wednesday night at the school cafeteria.

Dr. and Mrs. James O'Connor were elected co-presidents from a slate of three couples. Dr. O'Connor, a neurosurgeon on the staff of Howard Hospital, has served for two years on the PTA Budget and Finance Committee. Mrs. O'Connor has been active on the Health and Safety Committee.

Elected as co-vice-presidents were Mr. and Mrs. Tom Severns; secretary, Mrs. John Travers; and treasurer, Mrs. Edward Johnson. Committee chairmen were also selected. Each chairman will be briefed on his responsibilities at a special meeting on June 3. The revised budget will be presented at that meeting.

Principal Dick Wade announced that Mrs. Elizabeth Sullivan had been chosen Teacher of the Year by the Junior Women's League. She was nominated in a letter written by ten of her students. Each student discussed how she had influenced him.

Mrs. Sullivan, an English teacher at Jackson for ten years, is the wife of Joseph Sullivan, a partner in the law firm of Parker, Sullivan and Jordan, and the mother of two Jackson students.

Smartly attired in a blue tweed suit, Mrs. Sullivan briefly addressed the group, expressing her gratitude at receiving the award.
